

REQUEST FOR MANDATE IS NOW REJECTED

Republicans Solidly Against Proposal—Thirteen Democrats With the Majority

DIAL VOTES NO; SMITH VOTES YES

Rejection Resolution Goes to House Today—Underwood Makes Effort to Delay Vote

Washington, June 1.—President Wilson's plea for an American mandate over Armenia was rejected in the Senate today by a vote of more than two to one.

Thirteen Democrats cast their votes with the united Republican membership on the final roll-call, and the resolution "respectfully declining" to grant congressional authority for a mandate was adopted, 52 to 23, in the Senate.

The resolution will be sent to the House tomorrow, and the leaders there plan to adopt it without change on Thursday.

In the debate today the Democratic Senate leaders counseled delay and tried in vain to put the decision over until the next session of Congress. Scarcely a voice was raised in out-and-out advocacy of accepting the mandate, and on a motion to amend the resolution that requested would be given, only twelve Democrats, all of them Democrats, voted in the affirmative.

In their effort to ward off action, which they argued, was advisable because of the peace deadlock, the minority leaders had better success. A motion to send the resolution back to the committee, with instructions that it be reported "after ratification of a peace treaty with the Central Powers," mustered almost solid Democratic support, but was lost 43 to 31.

The roll-call on the final adoption of the resolution follows:

Republicans: Ball, Borah, Brandegee, Calder, Capper, Colt, Curtis, Dillingham, Edge, Elkins, Fall, Fernald, France, Frelinghuysen, Hale, Harding, Jones of Washington, Kenyon, Keyes, Knox, Lenroot, Lodge, McCormick, McCumber, McLean, McNary, Nelson, New, Norris, Page, Phipps, Rindexter, Smoot, Spencer, Sterling, Sutherland, Townsend, Wadsworth and Watson—39.

Democrats: Beckham, Chamberlain, Dial, Gentry, Harris, Myers, Nugent, Pomeroy, Reed, Shields, Smith of Georgia, Thomas and Walsh of Massachusetts—13.

Total 52.

Against the resolution—

Republicans: Non.
Democrats: Ashurst, Gay, Harrison, Henderson, Hitchcock, Kenrick, King, McEllar, Phelan, Pittman, Ransell, Robinson, Sheppard, Simmons, Smith of Arizona, Smith of Maryland, Smith of South Carolina, Stanley, Trammell, Underwood, Walsh of Montana, Williams and Wolcott—23.

Total 22.

Several of the Democrats voting against the resolution, including Senator Hitchcock, of Nebraska, who led the administration's fight for ratification of the treaty of Versailles, announced they did so only because they felt the direct language of the measure would discourage the efforts of the Armenian people.

Amendment Defeated.

Senator Hitchcock presented an amendment which, he said, would make the resolution acceptable to him providing for a joint commission of Americans and Armenians to rehabilitate the new Republic economically. It was rejected, 43 to 34, with only two Republicans, Senators Kenyon of Nevada and Townsend of Michigan, supporting it.

HALTED BY DEADLOCK

Washington, May 31.—Senate and House conferees on the annual river and harbor appropriation bill reached a deadlock today and voted to report that their efforts to perfect the feat would be futile.

Members of the conference committee said that with a recess impending the agreement meant there would be no more action on the bill, and harbor appropriations

WONDERFUL PROGRESS MADE BY PUPILS OF SWARTZ STUDIO

On Friday evening at the Baptist church the music pupils of Mrs. E. C. Swartz and Miss Melitta Swartz gave the last of a series of public recitals. To those who appreciate the value of music in our educational system it was indeed gratifying to note the wonderful progress these children have made in the past few months.

Mrs. Swartz and Miss Swartz have labored untiringly with their pupils and Friday evening's performance shows the splendid results.

The first number on the program was a waltz followed by "Crisis Cross" which Laura Peavy played in a most graceful manner.

"A Plantation Melody" played by Blanche Vanning was very well emphasized. This was a left hand melody executed in clever style.

A selection entitled "The Meadow Brook" as played by Dorothy Abrains who showed marked improvement in her playing.

Vivian Katzoff who is very talented and dependable played "A Fourth of July Celebration" by Kroger.

A violin number "Playful Rondo" was well rendered by Louise Brown.

"Here's Bob White" was played with credit by Lois Thompson. A piano duet entitled "To The Evening Star" was played by Miss Mildred Smith and Miss Helen Katzoff.

"The Ensign March" a violin solo, played by Alston Davis was specially good. A piano trio "Hebe" played by Pauline Peavy, Mildred Thompson and Lois Thompson was difficult yet played in perfect time.

"Adieu," a piano solo by Frances Brown was a very beautiful number and rendered with a good touch.

The first number on the second part of the program was unusual inasmuch as it was composed of three at the piano and two violinists.

"Kunderfer March" by Zaubiter and played by Elizabeth Richardson, Edna Thunes, Myrtle Higginbotham, Louise Brown and Bonnie Beatson.

"Adoration" played by Lula Rigby showed unusual talent. Perhaps the number that deserves especial mention was "Moonlight Fancies" played by two tiny tots, Henry Beatson on the violin and Vivian Katzoff at the piano.

Little Miss Katzoff proved herself a splendid accompanist.

"Lisette," a high and delicate number was well rendered by Mildred Smith.

A lively number entitled "A Polish Dance" was well played by Lilly Emma Spratt and Francis Dickson.

Charlie Davis, Alston Davis and Burgess Spratt played well together. Their number was "La Cinqumaine" by Grenade.

"Serenade" was well played by Lilly Emma Spratt.

A piano duet "Birthday March," a beautiful number was played by Lula Rigby and Francis Brown.

"Waltz," by Bohm, with a very catching air was played by Williams Richardson.

Francis Dickson who is a talented musician played with much expression "Seneade Ballet" by Hueter.

The last number on the program Violin Ensemble "Pounce! Val Sante" by Poldini played by Bonnie Beatson, Louise Brown, Miss Swartz, Charlie Davis, Alston Davis, Burgess Spratt violinists and Francis Dickson accompanist served fittingly as a grand finale.

PLEASE CONSIDER

That it is going to cost every school district more to maintain its schools the coming session than ever before is a pretty well established fact. It is also a fact that it has been costing a good deal more the past year or so than at any previous time.

The result has been that districts usually carrying a nice cash balance have used up these balances completely, while some have gone in debt in order to run their schools the usual term. This condition cannot be permitted, for the law expressly says that all contracts which trustees make in excess of their funds shall be null and void.

Strictly applied means when the money is out to shut down at once. On obligations in order to get state aid has prevented a strict observance of that law.

Now the question is what is to be done to meet the changing times, and get revenue with which to maintain our schools. Levy more school taxes is the popular answer, and for which the legislature has made ample provisions. Under the present law any school district may levy as much as fifteen mills, and the elections under which this can be done must be reported to the auditor by July 1st.

Attention is hereby called to the school patrons the importance of getting busy at once in case your district wants or needs to vote on any further special tax. The steps to take are as follows:

Get up a petition in your district containing at least one third of the voters and one third of the free holders, and send this petition to the County Superintendent of Education by the 15th day of June. The election can then be set for June 20th, and we can thus get in. Quite a number of school districts have voted on additional taxes during the past few months and others have elections ordered.

If your district needs money to properly provide for its needs, then get busy. If you do not act promptly so that we can carry your election through by July 1st, and tax voted later will have to wait a year before being entered in the Auditors abstracts.

MISSIONARY SOCIETY HOLDS MEETING

Manning, S. C., May 26th, 1920. The annual meeting of the Woman's Missionary Society of Sumter District was held at Kershaw May 21, 22, 23; Miss Jessie Curtis, District secretary presiding.

The first night was given over to addresses of welcome from the different churches and responses from members of the society.

The morning of the 22nd began the real business of the meeting. Miss Jessie Curtis addressed the meeting after which, appointment of committees was made.

The meeting was fortunate in having present Mrs. Edwards State Superintendent of Young Peoples work, Mrs. R. L. Kirkwood State Corresponding Secretary, Mrs. Stanley from the upper S. C. Conference and Mrs. John A. Rice—our State president each of whom delivered addresses, teeming with interest and enthusiasm.

Mrs. Rice's address Sunday morning on "Human Relationship" and again Sunday night on "The Relationship of the Woman's Missionary Society to the World Unrest" deserve special mention as they dealt with subjects of vital interest and which today are engaging the world's best thoughts.

All of the addresses were of a high order inspiring to the hearers and a real benefit to all present. Before adjournment the following resolution was adopted.

Whereas, Hospitality is a grace which the people of Kershaw possess in an unmeasurable degree, so cordial has been our entertainment, and so hearty our welcome from all denominations, that we have enjoyed every moment of our stay in your midst. Many have contributed to our comfort and pleasure, among these special mention must be made of Rev. Mr. DuBose, pastor of this church and his good wife, both of whom did everything possible for our comfort and pleasure in the Church as well as throwing open the parsonage doors to us.

Through the addresses of Mrs. Edwards, Mrs. Kirkwood and Mrs. Stanley, we have caught a clever vision of our duty to our fellow-men and to God.

The Oswego Juniors under the direction of Mrs. Andrews and the Young Peoples Society of this church, under Mrs. Dempster and Miss Hamel, played no small part towards our entertainment and instruction with their clever play-lets. Through the latter the sum of Thirty Dollars was raised for our Wesley House.

Mrs. Andrews' missionary tree proved to us that the vine without the branches will die. An adult missionary society without the Young Peoples Juniors and the Baby division is incomplete and cannot be a real live society.

Credit is due Mr. Shaw, choir director for the good music he has furnished us, much credit is also due Mrs. Cauthen, the organist, who came "mildly" trying circumstances.

Some of the ladies have been so thoughtful as to place these beautiful flowers and decorations resting the eye and delighting the soul throughout the conference.

Mrs. Hayes of the Presbyterian church in her words of encouragement filled us with new hope, and determination to go forward.

The ladies who had charge of the delightful luncheon on the church grounds proved themselves to be competent cooks, and visions of those lemon pies and fat chicken backs will linger in our memories.

We count ourselves fortunate in having had as our honored guest, Mrs. John A. Rice, President of our S. C. Woman's Missionary Society whose stirring addresses proved the truth of her assertion, that "when we get people to feeling things, then can we depend on them to do things."

Therefore, be it resolved: To all who have made this a comfortable, helpful and happy meeting, we extend our heartfelt thanks.

Respectfully submitted, Chairman.

SHERIFF GAMBLE PASSES AWAY

Sheriff E. B. Gamble died in the Columbia Hospital Monday afternoon. The deceased had not been in good health since he was operated on a few years ago, though was able to attend to his daily duties until two weeks ago. He went to Columbia last week seeking medical attention, but nothing could be done to relieve him. The body was brought here yesterday and laid to rest in the Manning cemetery this morning. Sheriff Gamble was a very quiet man, attending strictly to his business, and his success is attributed mostly to this. He never made a blow horn of his intentions, but it was almost useless for a criminal to try to get away from him—he would get him sooner or later. He acted as deputy sheriff a number of years, and just sixteen years ago was elected to the office of sheriff which he held until his death.

And we might say, had he lived, would have been re-elected this year with little difficulty. He made a good officer, and the people appreciated his efforts. Sheriff Gamble was considered to be one of the best officers in the State. He was a self made man, but by honest dealings with his fellowman made a success in life, and commanded the respect of all classes. Clarendon County has lost a good citizen, and the writer a personal friend. He will be missed, but his good deeds will live. He is survived by a widow and several children and a host of friends, not only in this county but all over the State.

JOE NIMMER DEAD

This whole town was saddened Sunday afternoon when it was learned that Joe Nimmer had passed away. Mr. Nimmer had been ill with typhoid fever about four weeks, and after being in a most critical condition, rallied last Wednesday, and up until Saturday was improving rapidly, when he then suffered a relapse, and died on Sunday. Joe was a very popular young man and his untimely death has cast a gloom over this community. He was just twenty-one years old with a bright prospect before him. He was always accommodating and ready to assist whenever called upon. Joe was an automobile mechanic, and had been truck driver for the fire department for several years. He is survived by his parents and Mrs. Thomas Nimmer and a number of brothers and sisters; being the oldest boy. This is the first death in this family. The funeral services were held in Sumter yesterday, and a large number of friends from here accompanied the body to its last resting place. A great many relatives and friends were here from a distance. The floral tributes were many and beautiful, which showed the popularity of the young man. The pall bearers were: A. J. Rigby, Sam Barron, Bertram Weinberg, Claude Bell, Joe Joseph and John Ossey and L. I. Appelt. We extend our sincere sympathy to the bereaved family.

YOUNG MAN DROWNS WHILE ON PICNIC

Adger Allsbrook, young white man employed in one of the railroad freight offices in Columbia, was drowned yesterday afternoon in Mathias' pond in Lexington county. He was 20 years old.

The young man was off to a picnic with a group of about 35 young men and women from Columbia. Immediately after lunch, eight or ten went in bathing. The water is cold and Mr. Allsbrook is supposed to have been seized with a cramp. He went down in water 16 or 12 feet in depth without once calling for aid or coming to the surface again. The body was recovered in a short while, but all efforts to resuscitate were in vain.

A physician was called from Lexington and arrived in an hour, but found efforts to revive useless. The doctor's opinion was that the death was instantaneous, as the lungs were not filled with water. The coroner of Lexington county was called to the scene, but decided an inquest was useless.

W. D. Allsbrook of Manning, the father, came to Columbia last night and will take the remains to Clarendon county this morning for interment.

The above is taken from the Columbia State. Adger Allsbrook was the eldest son of Mr. and Mrs. M. D. Allsbrook, who live about two miles east of Manning. The deceased had just finished a business course and accepted a position with a railroad company in Columbia. He graduated at the Manning school with honors. He was a young man of high character and had promise of a great future.

The funeral was held at Oak Grove Sunday morning.

FLYING TO AUSTRIA

London, May 31.—A spring effort to reach Australia alone in a small airplane was begun this morning by Lieutenant Hinkley, a former member of the British air forces.

The machine has only a 35 horse power engine with special petrol tanks to provide enough fuel from 600 to 700 miles of continuous flight. The lieutenant will make the flight by way of Paris, Rome and Egypt.

MERCHANT VESSELS LIKELY TO BE SOLD

Washington, May 31.—Sale of government owned merchant ships as soon as practical with provisions authorizing the shipping board to sell certain classes of ships to aliens if considered advisable, were tentatively agreed on today by the House and Senate conferees on merchant marine legislation.

Pending sale of the ships, the board would be permitted to operate the vessels itself or charter them to private interests.

Chairman Jones of the Senate managers announced that a final agreement upon the legislation tomorrow was hoped for.

Defines General Policy.
The House conferees today accepted the Senate amendment defining a general policy for the board. This provision specifies that it is necessary for the national defense and for the proper growth of its foreign and domestic commerce that the United States shall have a merchant marine, "of the best equipped and most suitable types of vessels sufficient to carry the greater portion of its commerce and serve as a naval or military auxiliary in time of war or national emergency ultimately to be owned and operated privately by citizens of the States" and that it shall be the board's policy to develop and maintain such a merchant marine.

PRESIDENT'S PAY FREE FROM TAXES

Washington, June 1.—Provisions of the war revenue act requiring the President and all Federal judges to pay an income tax on their salaries were declared unconstitutional today by the supreme court in a 7 to 2 decision.

Under the act the President paid on his salary of \$75,000 a year approximately \$16,000 in taxes.

Revenues already collected under the invalid provisions will, under the court's decision, be refunded by the Treasury.

The supreme court's decision was on appeals by Federal District Judge Walter Evans of Louisville, Ky., from lower court decrees, dismissing a suit brought by him to recover taxes involuntarily paid. He contended that the Federal constitution prohibited judges "salaries being diminished during continuance in office."

Justice Van Devanter, who rendered the majority opinion, held, however, that a Federal judge was not exempt from tax on his private income or on his property.

Justice Holmes rendered a dissenting opinion in which justice Brandeis concurred.

During his life he had been in charge of churches in North Carolina, Tennessee, Alabama and Kentucky his native State. For four years he served as church extension secretary of the general conference of his church. During the civil war he served as a drummer boy in the Union army. Funeral services will be conducted here Wednesday.
