

**"JIMMY" WORKS FAST
ON OPENING SPEECH**

Considerable Progress Made on Acceptance Address

JUDGE JOHNSON PLEASED

Says "Western People Seem to Realize That Governor Cox Is One of Them."

Dayton, Ohio, July 26.—Governor Cox made considerable progress today on his address for August 7 accepting the Democratic Presidential nomination. The Governor found, however, that he was unable to carry out his plan for "locking" himself in his library to work on the speech, but between several visitors the candidate put in some good ticks in drafting his address.

The address, the Governor said, will be "just long enough to tell the story," but because of its embryonic stage he could make no definite predictions as to length. He is to send it in installments, as subjects are completed, to his newspaper office here for composition and then he promised "to use the blue pencil vigorously" on proofs to eliminate every unnecessary word. Between shifts on his address the Governor today conferred with Judge J. G. Johnson, of the Ohio Supreme Court, who made the Cox nominating speech at the San Francisco convention. It was their first meeting since the convention, and Governor Cox thanked the judge for the successful outcome of his efforts.

Refer to Him as "Jimmy."

"The Western people seem to realize that Governor Cox is one of them, in their ideals and aspirations," said Judge Johnson, who toured the West en route to his home at Springfield. "They believe Governor Cox is for the people. They refer to him as 'Jimmy' like Theodore Roosevelt, was called 'Teddy.' It indicates a feeling of personal interest and regard, as I believe Cox is the first Presidential candidate since 'Teddy' whose first name is being popularly and generally used."

Another caller of the Governor's was

Oscar E. Bradfute, of Xenia, O., of the Ohio farm bureau and a director of the federal farm bureau as well as a former member of President Wilson's industrial commission. Agricultural affairs were the principal topic of his conference with the Governor, who also had a social call today from John D. Spreckles, Jr., of California. Senator Pomerene, Ohio member of the Senate committee investigating campaign expenditures, is to see the Governor tomorrow regarding continuance of the inquiry during the campaign.

On account of my health the Bank has given me an extended leave, and I will be away from the Bank for sometime, this being the case we will be compelled to discontinue this column until my return, which I hope to be not later than September 1st, at which time we expect to again offer this column to the Farmers and others as a medium of exchange.

Until Mr. Musser's return the Bank will be glad to take all calls for Hog Cholera work and turn them over to Dr. Wood who is doing this work and is occupying my office.
