GOV. COX MAY BE COMPELLED TO FACE COMMITTEE, CLAIM

Will Probably Be Subpoenaed to Appear Before Senate Campaign Body Unless He Comes of Own Free Will, Says Unnamed Member.

Chicago, Aug. 23.—Governor Cox, Democratic nominee, will probably be subpoenaed and compelled to appear before the Senate campaign committee, which announced plans for investigating the Republican and Democratic national campaigns, unless he comes of his own free will, a member of the committee told the Associated Press tonight.

This member of the committee said that its members felt that Governor Cox must prove his charges that the Republicans were raising a \$15,000,000 campaign fund or withdraw them and that the committee was prepared to go any length to obtain evidence in the matter.

No official subpoena will be issued, however, until the committee meets next Monday.

"If Governor Cox has not given us a satisfactory reply by that time I feel certain that a subpoena will be

issued," he said. Senator Reed said he had not received an answer to his telegram to Governor Cox up to 9 o'clock tonight, when he left for a short trip into Wisconsin.

No statement was made when members of the committee were shown dispatches quoting Governor Cox as saying he "saw no use in appearing before the committee," adding that he would furnish it with evidence, but felt that he should be allowed to do so when he saw fit.

Included in the matters to be taken up with the committee reconvenes next Monday will be an investigation of the Oklahoma Democratic senatorial primaries, in which Senator Gore was defeated, and the pre-convention Kansas campaigns, it was said.

POLAND WILL COMPLY WITH U. S. DEMAND, SAYS OFFICIAL

Washington, Aug. 23.—Complete assurance will be given the United States, it was stated today in Polish official circles, that Poland's victorious armies will not pursue their advance beyond the natural frontiers of the reconstituted republic. An early communication from Warsaw to this effect was expected by these officials.

Representations setting forth the views of this government have been made through the legation at Warsaw the State Department announced today. The Polish reply, legation officials said, would set at rest any suspicious that Poland was contemplating the prolongation of hostilities into an offensive war against Russia.

No formal representations have been exchanged with the Allies by the United States regarding the possible transition of the Polish operations from a defensive to an offensive character.

Great Britain, however, through Premier Lloyd George already has announced her opposition to any trans-

The Bank That Serves

Agricultural Department

On account of my health the Bank has given me an extended leave, and I will be away from the Bank for sometime, this being the case we will be compelled to discontinue this column until my return, which I hope to be not later than September 1st, at which time we expect to again offer this column to the Farmers and others as a medium of exchange.

Until Mr. Musser's return the Bank will be glad to take all calls for Hog Cholera work and turn them over to Dr. Wood who is doing this work and is occupying my office.

It has been a pleasure for both the Bank and myself to serve you, which we hope and expect to continue to do.

Yours Respectfully,

C. A. McFADDIN,

Agricultural Agent, Home Bank and Trust Company.
