We Are Talking to YOU

Friends, about Clothes, and Values, and Money; matters of vital importance, and we know you are interested.

It's easy to select the right garment from our stock. There is no other Clothing and Gent's Furnishing Store in Eastern Carolina which approaches in size of stock and variety of selection, that carried by us, and we are justly proud of our leadership.

When there's "something better" to be had, you'll find it at our store; that's our business, and attending to our business is a hobby with us, and has made our name a familiar word in every household.

Chandler Service means full values and satisfaction in every particular; that is what counts—not price.

Our stock is complete and we advise you to come in now and make your selection—most people like to have first pick; and besides, if you buy now you'll be ready when that first cold snap comes.

Did you get your boy ready for school or did you "just start him in" and a little later will have to hurry to get something to keep him warm? Better bring him down now and let us fit him up.
