DEATH OF MRS. H. V. HALEY

On the 16th of November the death angel visited the home of Mr. H. V. Haley and took his dear wife, Mrs. Mattie Haley. She has suffered for three long years, and all that loving hands could do was done; but nothing seemed to relieve her. She leaves to mourn her loss five daughters, five sons, a loving husband and a host of friends.

Oh, how we tried to save her,
 Prayers and tears were in vain,
 Happy angels came and took her
 From this world of toil and pain.

You are not forgotten, Auntie,
 Nor will you ever be
 As long as life and memory lasts
 We will always think of thee.

One week has passed, our hearts are sore,
 As time flies on we love her more
 Her loving voice, her smiling face,
 No one can take her vacant place.

Forget her! No, we never will,
 We loved her then, we love her still,
 Her memory is as fresh today
 As in the hour she passed away.

A loving Niece,
 Orphia D.

Married by J. M. Windham, Judge of Probate on last Sunday evening, Mr. Jonnie Ivy Hutson of Darlington, S. C. and Miss Welthy Oneta Tennant of Manning, S. C.

Repair The Wear

Hard Work Often Breaks Down a Person's Health and Creates a Need for Ziron Iron Tonic.

Men and women who do hard labor, such as building, farming or housekeeping, and those who do exhaustive brain work of various kinds, often feel the need of something to help renew fagged forces and tone up the system.

To help repair the wear caused by over-work, to gain renewed strength and energy, many have obtained good results from taking Ziron Iron Tonic. Ziron is a perfected preparation of pure medicinal iron salts, combined with other valuable strength-giving

tonic ingredients, which are recommended by leading physicians.

Mr. H. B. Converse, of McEwen, Tenn., writes: "I had been working very hard, and was getting weak and run-down from hard work. When I commenced taking Ziron, in a few days I felt stronger, and now I have taken two bottles I feel as strong as ever, although I have kept at work all the time."

You cannot lose anything by giving Ziron a trial, but very likely will gain it.

Your druggist will sell you the first bottle on a money-back guarantee.

DODGE BROTHERS MOTOR CAR

Dodge Brothers consider themselves in a quite special and peculiar sense, the servants of their public.

The controlling thought of this business from the very first has been that its destinies rested upon the continued good will of the owner.

The tire mileage is unusually high
 The gasoline consumption is unusually low
