

Our Farmer Friends:

As the Fall Season is drawing to a close and new plans and arrangements are being made for the coming year, we invite you to place your account in our hands.

None of us can intelligently prophesy as to what the coming year really holds in store; but a friendly connection with a strong bank is the best security against the uncertainties of the future.

FIRST NATIONAL BANK.

W. C. DAVIS, President.

J. A. WEINBERG, Vice-President.

J. T. STUKES, Cashier.

the city market is there for your small produce, say specialists of the United States Department of Agricul-ture. At present many producers are neglecting entirely this marketing medium or are not utilizing it to the extent they might. Wider use of the parcel post for marketing eggs is sue paper, which comes in packages of particularly advisable for the small 500 sheets each, soft wrapping paper, parcel producer who can easily and advan-tageously build up a direct trade with the city. When more produce is mar-keted from the farm to the city there

Sell Only First-Class Eggs It is preferable to produce infertile eggs for market, as fertile eggs deare the cause of much loss. The eggs do should be gathered at least once a day number of the matching and stored in a well-ventilated place, where they can be kept as cool as pos As washing removes the mucil sible. As washing removes the much-aginous coating of eggs and opens the pores of the shell, it should not be practiced in the case of eggs intend-ed for high-class trade. Soiled eggs should be used at home or disposed of otherwise then to a parcelpost custo-

mer oncerning the freshness or quality of the eggs, they should be candled, so that all eggs showing any defect may be held at home, say poultry specialists of the United States Department of Agricul-United States Department of Agricul-ture. For parcel-post shipment it is essential that uniform containers and a uniform pack should be used, as otherwise the packages will not weak well, nor will they look attractive and appeal to the fancy trade. Further-more, the containers should be stout and durable, so as to make it worth while to return them as "empties" for subsequent use.

GUESTS IN SUMMER MONTHS BECOME CUSTOMERS IN WINTER

Many producers living near summer resorts supply produce in the summer months to the persons at the resorts, and during the other months of the year ship produce to these persons while the yare in the city. This, say

known Greenville resident for twen-

Spencer frankly admits, it is said by the police, that he fired the lone bullet which pierced Prince's heart, saying that the action was taken as a last resort, when Prince and another young man, Shirley Styles, attacked him. Styles attacked him first, Spencer told the police, and Prince later joined in. Spencer, who is about forty-three years of age, used a 32-caliber revolver.

Prince is a veteran of the Eightyfirst division, having served overseas wit hthe Greenville 323d ambulance company as a corporal. He lived funding of taxes illegally collected, on the Buncombe road just beyond the city limits. A large number of persons were in the restaurant when the shooting occurred and a large crowd cies. quickly gathered in and about the ing customers. He states that his only trouble has been in getting
