SHOES

Our Shoe stock is complete and was not marked up higher than a legitimate profit for we have but one price. Our customers all know that, but the manufacturers are naming new low prices and we are pricing our stock down to and in some instances below a replacement value.

The easy way to figure what any shoe in our stock will cost you is to remember that if it was:

\$6.00 it is now	\$4.00
\$9.00 it is now	\$6.00
\$13.50 it is now	\$9.00
\$3.00 it is now	\$2.00

Our shoes are made of leather.

LADIES' COATS

We have a few left which must go before the end of the year and have reduced the price again.

\$16.50 Ladies' Coats, reduced to	\$8.25

Everything in this department has had the pruning knife applied to the old prices.

**LOOK AT THE BARGAINS ON TABLES
IN THE CENTER OF THE STORE**

These will be changed daily and will be attractive. Everything put out on these tables will be priced way down.

FURNITURE

We have not pretended to offer special prices in this line until now because we could not afford to sell for less than replacement value and we did not have any cheap prices from manufacturers. They have now named new low prices which they claim are the bottom and we are pricing our entire stock accordingly.

If we have what you need in this line **GET IT NOW**—We are told that these prices will not be lower.

In fact manufacturers and jobbers of all lines are beginning to talk that way.

BUY WHAT YOU NEED NOW, AS IT IS QUITE PROBABLE THAT YOU WILL PAY MORE AFTER JANUARY FIRST.

CHRISTMAS DAY

Our store will be closed all day Saturday, Dec., 25th and will be open bright and early Monday morning, Dec., 27th to continue this sale with new bargains every day until Friday night, Dec., 31st, at which time the sale closes and we begin taking inventory.

HOLIDAY GOODS
