TEACHER-TRUSTEE MEETING

The teachers and trustees of the county will hold a joint session here on Saturday, April 2nd, at 11 o'clock. A full attendance is very much desired as it is proposed to discuss matters

of interest and benefit to the schools of the county. These co-operative meetings should have the support of the trustees, as there are things to be said and done at them for the benefit of the schools and the teachers should not be the only ones to take interest in them. A pull all together can accomplish much. Remember the date, April 2nd and come. E. J. Browne, County Supt. Education.
