BIG SHOW AT THE PASTIME THEATRE

"Held By The Enemy" Screen Master-piece Will Be Attraction April 20th.

After a three-month's effort Manager Hanks of the Pastime Theatre, has closed the booking for the William Gillette big Civil War play "Held by the Enemy." This is without doubt one of the best plays that was ever written and was a notable stage success for twenty-five years. The writer is very much interested in the showing of this play in Manning as he played the leading role in the show a half hundred times through Ohio and Pennsylvania.

Twenty-one years ago the writer was a member of a home talent organization in Ohio and the above show was their strongest drawing card. Performances were given through central Ohio and the press notices received were very flattering. The writer took the part of "Colonel Prescott" (he was somewhat thinner in those days than he now is) and according to the audiences done some rotten acting. We are very anxious to see this screen portrayal, because we know the fellow who plays this part on the screen gets more kissing than we did

—some of those three-foot kisses. Our leading lady would not have stood for that (and she was as pretty as a picture too.)

Anyway go and see this picture, we know you will like it, for it is played by an all-star cast, and it is a good show.
