**YOUR HOME, AND OURS**

No matter how much of a chestnut a story may be, it is always new to the person who hears it for the first time. It is even so when we advocate faith in, loyalty to, and the building up of the home community. We have written and preached until the subject has almost become a chestnut, yet in every new effort of our pen there is a sentence somewhere that strikes a sympathetic chord in the heart of some person. No effort for local betterment is entirely in vain.

We live in this town because we believe in it. We believe in it because it is a good town, regardless of its few defects, and its people are the peers of those to be found anywhere. This town may not have the wealth of some more favored communities, but it has character, and character is a possession which can not be purchased with gold.

If you believe in your home town you will like it, and if you like it no effort toward its improvement will be too great for you. Again we ask you who have faith in your own powers to also have faith in your own town. When you feel like criticising it, check the thought before it is spoken. You can always find something good to say instead, and even then the half of the truth will never be told. It is a good town now, but faith, loyalty and united action will make it a better one. Our faith in this town, brother, is simply faith in you, because the town is a collection of yours. Surely your faith is not less than ours. Let us unite—let us act—for a better and a more cohesive community. It is your home—and ours.

A drug store complexion can hardly be termed "the blush that won't come off"—especially if the weather is warm.

The United States has succeeded Great Britain as the world's banker, Europe owing us the tidy little sum of fourteen billions of dollars. The fourteen billions look better to us than the honor of being the w. b. Get 'em back.

**MANNING PROOF**

Should Convince Every Manning Reader

The frank statement of a neighbor telling the merits of a remedy, Bids you pause and believe. The same endorsement By some stranger far away Commands no belief at all. Here's a Manning case. A Manning citizen testifies. Read and be convinced. W. N. Hill, says. "About two years ago I was troubled with my kidneys. There were pains across the small of my back and it felt as if someone were sticking a knife into me. My nerves were all unstrung and often times I had dizzy spells. I felt as if I wanted to sleep all the time. A friend recommended Doan's Kidney Pills so I bought some at Dickson's Pharmacy. Doan's Kidney Pills entirely cured me of the trouble and I haven't been bothered since." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hill had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

**REGARDING**

**VELVET BEANS**

Many farmers fail to plant velvet beans because there have been few velvet bean hullers in the community. We have taken the agency for the Tom Huston Bean Huller. These are being sold to grist mill operators thru out the county and farmers may plant velvet beans assured that they can get them properly cleaned and threshed in the fall.

There is an increasing demand for velvet beans. They benefit the land. Plant them.

**IN REMEMBRANCE**

In loving remembrance of my dear father, W. J. Rawlinson who died March 28th, 1920.

Just one year ago today,  
God so sweetly called away  
Father dear, from us to stay,  
Earthly cares no more to share.

Dearest Father, how we miss you,  
Every day no one can say,  
But we hope one day to meet you  
Where there be no more good-byes.

Though the days seem long and lonely,

Since you left us here to stay,  
But 'tis God who has bereft us,  
He our sorrow all can share.

And we believe that God above  
Called you to a home of love,  
Called you from a world of care,  
There a crown of life to wear.

Farewell dear father, sweet thy rest,  
Weary with years, worn with pain,  
Farewell till in some happy place  
We behold thy face again.

O God, we know that thou art love,  
And all that's pure and good,  
And when our earthly task is done,  
Please take us home with thee.

A Devoted Daughter,  
Carrie Rawlinson.

THE UNIVERSAL CAR

To the business man, retail or wholesale; to the manufacturer; to the commission man; to the trucking company, the Ford Model T One Ton Truck makes an irresistible appeal because it has in its chassis all the merits of the original Ford car; the wonderful Ford Model T Motor, the dependable Vanadium steel chassis, and the manganese bronze worm-drive. A strongly built truck that serves satisfactorily and lasts in service. If these statements were not true, the demand for Ford Trucks wouldn't be so constantly on the increase. We will be pleased to take your order for one or more Ford Trucks, will see that you get reasonably prompt delivery, and will give you an after service that insures the constant service of the Truck. But don't wait too long. Get your order in promptly.
