## The Reason

The people of Manning and all the surround-  
ing country will no doubt be surprised and amazed  
at the announcement of this great CLOSING OUT  
SALE, but my reason for same is simply this: The  
First National Bank has purchased this building  
and will occupy same as soon as I can vacate. After  
having been here in business for many years,  
naturally other interests have accumulated which  
require my attention; therefore I am taking ad-  
vantage of this occasion to sell out. Rather than  
sell it to the bulk buyers, I am going to offer it to  
you, for I feel that you should have a chance to buy  
this merchandise—you have helped me build up a  
successful and prosperous business—now you get  
your prosperity back.

I thank you for your liberal support.

Signed:
