**IN CALPIN'S CASE**

Notice Served on Solicitor Callison—Delay in Sentence—Action by Attorney Automatically Stays Death Penalty. Others May Die.

Jesse Gappins, one of the three convicted murderers of William Brazell, the young Columbia taxi driver, and who is now in the death house at the penitentiary awaiting October 21, the date set for his electrocution, will not be electrocuted on the day set, an appeal to the supreme court staying the death penalty until this court can hear the case.

T. C. Sturkie, appointed attorney for Gappins at the trial at Lexington, served notice on Solicitor T. C. Callison at Lexington yesterday that he would appeal the verdict of the circuit court to the supreme court. This notice, Mr. Callison said last night, would automatically stay the death sentence of Gappins until the supreme court could hear the case. Attorney Sturkie merely served notice of intention to appeal, but this is sufficient to stop the electrocution, Solicitor Callison said.

Whether or not Mr. Sturkie intends to prepare his appeal for the approaching term of the supreme court is not known. The court begins its fall session two weeks from tomorrow and the appeal could be heard this fall, but it is doubtful if this will be done as plenty of time is always allowed. If the case is heard at the fall term a decision will hardly be reached before Christmas as the court will be in session until after Thanksgiving. If it is not heard at this term of court it will probably come before the spring term of 1922.

Solicitor Callison said last night that no notices of intention to appeal in the case of S. J. Kirby and C. O. Fox, the other two convicted murderers, had been served on him as yet. These two prisoners with

Gappins are all in the death house and Fox and Kirby will in all probability be put to death October 21 as sentenced by Judge Sease unless their appointed attorneys appeal to the supreme court as the governor is not expected to take a hand in their behalf. The chief executive has not said that he will do, but from his known attitude it is practically certain that he will "play hands off." The governor has said that he did not expect any appeals to be made and the action of Attorney Sturkie will probably come as a surprise to the chief executive as Mr. Sturkie was appointed by the court.

The three prisoners have somewhat abandoned their attitude of unconcern over their approaching death, so far as all three know, and are beginning to realize their fate, according to prison officials. All three seem to be getting more and more serious as October 21 approaches.

While Fox and Kirby are awaiting their death an ever increasing crowd of curiosity seekers are writing or asking in person for passes to see the electrocutions. A large number of requests have come to Col. A. K. Sanders, superintendent of the penitentiary, and to Governor Cooper. Practically all of these will be turned down, it is said, as only a limited number can be allowed in the death house and officers of the law who have been handling the cases of the three men will take up most of these places.—Sunday's State.

**DELAY WILL RESULT FOR ANTI-BEER BILL**

Washington, Sept. 26.—Several weeks' delay in consideration of the anti-beer bill were forecast today in the senate after conferences between leaders.

An agreement, announced tonight by Senator Sterling (Republican) of South Dakota, in charge of the measure, was reached to give the legislation right of way after disposal of

the peace treaties and the tax revision bill.

The anti-beer measure was shunted aside today in favor of the German treaty, but assurances for its eventual enactment were given by Senator Sterling. "Sentiment of the senate," he said, "is overwhelmingly in favor of it but, as everybody knows, a final vote has been prevented by the tactics of not exceeding a half dozen senators."

**IN REMEMBRANCE**

Died at her home in Foreston on August 29th, 1921, Mrs. Emily Wise, wife of Mr. Henry L. Wise, age 68 years. She had been in bad health for several months. All was done that loving hands and medical skill could do, but God in His wisdom knew best and took her home to rest. She leaves to mourn, an aged husband four sons and two daughters and a host of relatives and friends. Oh how we tried to save her, Prayers and tears were in vain, Happy angels came and took her From this world of toil and pain.

You are not forgotten, mother, Nor will you ever be As long as life and memory last, We will always think of thee,

One month has passed, Our hearts are sore, As time flies on we love her more, Her loving voice, Her smiling face, No one can take her Vacant place.

Forget her! No we never will, We loved her then, we love her still, Her memory is as fresh today As in the hour she passed away. Yet again we hope to meet thee, Where the day of life is fled, When in Heaven in joy to greet thee, Where no farewell tears is shed. Devoted Sons and Daughters.

**SWEET POTATO PRICES AND MOVEMENT**

Clemson College, Sept. 26.—Total shipments of sweet potatoes to market this season to September 9 have been 2,910 cars compared with 1,844 to September 9, 1920.

**NOTICE OF DISCHARGE**

I will apply to the Judge of Probate for Clarendon County, S. C., on the 30th day of September, 1921 at 11 o'clock a. m. for Letters of Discharge as Guardian for Pearl Byrd, formerly Pearl Geddings, formerly a minor. Elizabeth H. Geddings, Guardian. Pinewood, August 29, 1921. pd

At present the heaviest shipping section is the Eastern shore of Virginia, 50 to 150 cars per day. Scattering shipments are moving from practically all Southern states. New Jersey shipments increasing daily, shipments now about 50 cars per day. Total shipments from all states September 16, 171 cars.

Prices, due to heavy supplies in consuming markets, took a slump last week of from \$1.00 to \$2.00 per barrel. Number 1 yellow varieties packed in cloth-top stave barrels from Eastern Shore of Virginia were bringing \$3.00 to \$3.75 per barrel September 16 on New York Market. Number 1 yellow varieties packed in

bushel hampers and from New Jersey were bringing \$1.50 to \$2.00 on New York market September 16.

Several cars of early sweet potatoes have moved from this state to market already, but the majority of growers in this state expect to store and sell their potatoes later in the season from the storage houses.
