## TO THE PUBLIC

Clarendon County, like most all sections of the cotton states, has passed through a very discouraging year.

The eastern manufacturers and jobbers do not look upon us as favorable as in former years, in other words they are demanding cash for their goods, thereby forcing us to do likewise.

Commencing January the first our terms will be strictly cash, nothing charged to any one.

We wish to thank you for the business you have given us in the past and we hope you will continue to favor us with your valuable patronage on a cash basis.

Yours very truly,

**DICKSON DRUG STORE**
