LADIES DO GOOD WORK

The Manning Times: In your issue of date the 22nd inst. we read the annual report of the Civic League. This report is a handsome showing of the accomplishments of this organization for the past year. We are amazed to know that the ladies through their social features and the sale of articles of their own industry, without financial aid from our citizens, in the face of the financial distress prevailing, raised so handsome a fund and disbursed it so worthily.

We understand that Mrs. J. A. Weinberg has been president of the League for the past two years and that her term of office having expired Mrs. S. Oliver O'Bryan has been elected as her successor. We feel assured that the new president and the ladies associated with her will do all in their power to emulate the wonder-

ful precedent established by their predecessors. As a citizen and tax-payer, I wish to publicly register my thanks and express my admiration for the noble efforts of our ladies to beautify our town and render charitable help to worthy people. In doing this I feel sure that I but voice the unanimous opinion of my fellow townsmen.  
Edward S. Ervin.
