WEDNESDAY, APRIL 19, 1922

Mr. J. W. Rgby and son, Samuel, went to Atlanta Sunday night for a few days.

Beginning Saturday, April 22nd the Manning Library will be open every Saturday afternoon from 5 to 6 o'clock.

It is rumored that Manning will furnish a candidate in the coming campaign for Congress in opposition to Congressman W. Turner Logan.

Mr. Wright Turbeville, who left Manning the first of the year in search of health is now in the government hospital at Greenville, and is improving.

The wheat crop in Clarendon seems to be a failure this year. This is to be regretted as there are hundreds of acres of wheat planted.

Mr. Howard Broadway living near Paxville was brought to Manning yesterday and lodged in jail, charged with disorderly conduct.

Mrs. J. P. Frierson and children of Kingstree, spent the week-end with her cousin, Mrs. E. B. Gamble in Manning.

Last Friday afternoon while playing on the school grounds, little Marie Nimmer had the misfortune of falling and breaking her arm.

Married last Thursday by Judge J. M. Windham, Mr. Charlie Bennett and Miss Aletha Parker. Both are from Turbeville.

Mr. and Mrs. David Kahn of Washington, D. C., are in Manning visiting the home of Mrs. Kahn's brother, Mr. S. Iseman. On Monday Mr. and Mrs. Kahn celebrated their fiftieth wedding anniversary.

A recent ruling of the chairman of the Democratic convention states that all ladies that register and join a club are entitled to vote in the coming primary. The Democratic clubs meet next Saturday for the purpose of reorganizing, and the ladies should be well represented.

Sheriff Gamble and Rural Policemen Peavy and Hardy arrested Bossie Sweat, colored, yesterday, charging him with storing, making and selling whiskey. Sweat is in jail. A sixteen gallon barrel of corn whiskey was found but Sweat's boy broke the barrel before the officers could get it, and the most of the "juicy fruit" wasted.

Yesterday while Inspector Yassney had the street hands cleaning out a ditch at the foot of Boyce Street a perfectly good quart of corn whiskey

Mrs. H. J. Bomar is the guest of Charleston friends.

Mrs. D. Hirschmann and daughters, Misses Rounette and Pearl, and Mrs. B. Ness spent Tuesday in Charleston.

Miss Leila Gamble of Turbeville, spent the week-end with her sister, Mrs. E. B. Gamble.

Watch for the famous 1c sale to be held at Dickson Drug Store in the very near future.

was unearthed. Of course, Mr. Yassney did not want the "Happy Dust" so he gave it to the hands which they will evidently enjoy next Saturday night.

A representative of Golden & Co., Washington, D. C., was in town Thursday making arrangements with G. Dewey Clark for shipping truck in car lots through Potomac Yards.

The Ladies Aid Society of the Hobrow Congregation of Manning will sell cakes every Friday afternoon at 4 o'clock at Leon Weinberg's grocery store.

Supervisor McFaddin has the chain gang building a turn-pike from Manning to Jordan, and when completed will be one of the best roads in the county. Mr. McFaddin has done some excellent road work since his election, and the people should appreciate his efforts.

At the first meeting held by the new Council held Monday night, the following committees were appointed by Mayor Bradham:

Street Committee—J. H. Rigby and H. C. McKelvey.

Police Committee—W. P. Legg and C. N. Sprott.

Mrs. Lizzie Keels, aged 72 years, died at the home of her son, Mr. W. R. Keels, in Paxville, on Sunday afternoon at 5 o'clock. The deceased who was much beloved by all who knew her is survived by one son, W. R. Keels and three brothers, Mr. H. D. Mahoney, Radcliffe, Tex., R. B. Mahoney, Atlantic City, N. J., and F. W. Mahoney of Sumter.

Last Friday a negro was found dead beside the railroad across Black River. It is not known how he met death, but it is possible that he was killed and thrown off of a moving train. The negro is supposed to be named John Bell, as there were letters on his person bearing this signature. The coroner's jury found a verdict that the deceased came to his death unknown to them.

A district convention and mass meeting of the Shnday school workers of all denominations in the second district of the Clarendon County Sunday School Association will be held at the Manning Baptist Church on Sunday afternoon, April 23rd. The convention will open at 3:00 P. M. A

full program of practical discussions and inspiring addresses on Sunday school work is being prepared, and some of the best Sunday school workers in the County will take part on the program. This convention is for everybody and all are cordially invited.

J. A. Easley, District President.

We publish in another column the financial statement of the town of Manning. We hope every citizen will read these figures carefully so as he can make himself thoroughly familiar with the condition of our town. It will be seen that the town is heavily involved in debt. However, with the improvements which have been made it took money to do it. The town has a great deal of money owing from delinquent taxes, also delinquent licenses and paving tax. Now, we all know that money is hard to get, at the same time it behooves all delinquents to strain a point and pay what they can, so as the town government can be carried on. We are satisfied council will do everything in their power to keep from forcing executions upon the people, at the same time to be fair to all, these taxes must be paid. We hope our citizens and taxpayers will read this statement, and then give council a helping hand. Let's boost and not knock our city officials.

TEACHER'S EXAMINATION

The next examination for securing State Certificates will be held in the court house at Manning on Friday, May 12th, and Saturday, May 13th, 1922, beginning at 9 o'clock each day.

The examination will cover primary licenses, first, second and third grades, and elementary licenses, first, second, and third grades.

The examination for securing high school certificates will be held later, due notice of which will be given at the proper time.

Many teachers in the county have been teaching on permits the present year. These permits expire in June, and cannot be renewed. In case you expect to teach the coming year, do not neglect to take this examination, for the reason that if you wait until the examination in the fall, you could not hear the results in time to secure a position. Do not neglect to do your part to qualify and then expect to get permits again, for the State Board will not issue a second permit to any applicant.

E. J. BROWNE, Co. Supt. of Education.

T. L. BAGNAL, Clerk and Treasurer.	
The Commissioners of Public Works are under the necessity of building up a cash reserve by reason of the fact that they are not allowed to borrow money for taking care of the Water Works Plant in an emergency which may arise. In an emergency such as now exists for additional water supply—without the cash reserve now on hand the Commission would be helpless to relieve the situation.	
The new well at the Ice Plant has reduced the flow of the town well about one-half, which is not sufficient to supply the needs of the town. The Commission is arranging now to install pumping machinery and this will probably take all of the surplus now on hand.

FARMERS' MEETING

A number of farmers met in my office yesterday and formulated plans regarding the marketing of their Irish potato crop. It was decided to meet again at 5 o'clock Saturday p. m., April 22nd. At this time we expect to have prices and send off an order for potato barrels. Any one planting potatoes is invited to be present at this time. Potato barrels are scarce and getting higher—we should therefore act promptly. If you need potato barrels, come to the meeting ready to put up the cash and get the benefit of car lot prices.
