### NEWS FROM CLEMSON COLLEGE E. D. Plowden, Correspondent.

Clemson 'Gollege, S. C., April 25.— With the race for the state champion-ship in baseball in its midst we find that Clemson stands right at the head of the list. So far the "Tigers" have lost only one game out of seven play-ed in the state. The "Tigers" won two games from the Presbyterian Col-lege last Friday and Saturday. The first game ended 3 to 0 and the second game 8 to 3. Other games near at hand are Newberry, Davidson and Carolina at Clemson on next Wednes-day, Thursday and Friday, and Ers-kine at Due West next Saturday. Mr. George Sherwood Eddy, a man

kine at Due West next Saturday. Mr. George Sherwood Eddy, a man of world wide reputation, came to Clentson last Friday for a three day lecture period. Mr. Eddy spoke on "Personal Campus Problems" Friday night, on "Industrial and Social Prob-lems" Saturday night and on "Bro-therhood and Service to God and Our Fellowmen" Sunday morning.

therhood and Service to God and Our Fellowmen" Sunday morning. Mr. Eddy is one of the ten best speaners of the, world and has spent twenty-five years among students in different parts of America, Europe, and Asia. The students and people of the campus certainly availed them-selves of the opportunity of hearing Mr. Eddy and each time he spoke the of the campus certainly availed them-selves of the opportunity of hearing Mr. Eddy and each time he spoke the college chapel was filled to capacity. On Tuesday afternoon the election board of the Tiger met in Prof. Henry's office and elected the Tigor staff for the season of 1922-23. W. B. Bagmal of Muyning ups cheed was Bagnal of Manning was elected as an associate circulation manager. Bag-nal is a rising junior and a prominent member of the class of '24. The new staffff will take charge of the Tigor this week.

The publishers of Taps '22 have re-cently announced that they will have the entire edition delivered by June 1st. We have every reason to believe that this annual will be a great success, for it represents the utmost efforts of an able and efficient staff to produce a volume most acceptable to the entire corps. Messrs. James and Joe Burgess

formerly of Manning but now of Greer attended the Piedmont High School Track Meet here last Saturday.

The fifteenth annual Piedmont Track and Field meet was held here last Saturday, April 22. Several state high schools records were broken at this meet, among them being: the 880 yard run record which was lowered seconds by Carter Newman of the Clemson-Calhoun high school. Newman also set a new record for the 440 yard run and won first place in the 220 yard dash, making a total of 15 individual points. O'Dell of Liberty set a new pole vault record of 11 feet 6 inches. The old record was 10 feet 9 inches. The Shot Put record of 42 foot 1 inch was broken by Belner feet 1 inch was broken by Palmer of Central. The 100 yard dash record and the 120 yard low hurdles record were both tied. Liberty, won the meet with a total of 21 points. Clemson-Calhoun came second with 15 points and Pickens came third with 13 points. We were all glad to have these young athletes with us and we hope that many of them will come to Clemson next fall.

Prof. W. S. Morrison made an address to the members o fthe Sumter Chapter of the Clemson Alumini As-Claremont Hotel in Sumter last Fri-day night, April 21st. Prof. Morri-son is heard of the Division of His-tory and Economics here.

#### VICTORY IS CERTAIN IN

#### COTTON ASSOCIATION

Columbia, April 25 .- South Carolina is in the throes of the closing stages of one of the greatest campaigns ever maged in the history of the state and which promises before the end of the week to result in one of the greatest victories ever recorded in the state. The campaign t osign up 400,000 bales of cotton by May 1, to be sold through the South Carolina Cotton Growers' Co-operative Association which has been in progress since last August is closing amidst scenes of the greatest enthusiasm almost everywhere in the state, scenes that have never been equalled in some sections not even during the famous war drives. Victory in the drive is declared by the leaders to be almost certain but taking no chances on the final outcome the workers are out in the field day and night, pushing the fight every minute. Over 150,000 bales of cotton were signed in the last two weeks an dthis week is expected to see records smashed. Hundreds of farmers who had been debating the matter ever since the beginning of the campaign signed up last week and several hundred more are expected to sign this week. In fact the drive is beginning to assume the proportions of a landslide. Bankers and business men, believing that the co-operative marketing of the state's principal crop will mean more for the future welfare of the state than anything that could be proposed, are out in the field actively at work. Many leading business men of the state have almost deserted thoir places of business this week and are giving full time to the prosecution of the compaign. "We are on the very eve of the greatest victory ever won in South Carolina," declared Harry G. Kaminer, president of the association, today. The farmers of the state are signing a new declaration of independence. They are going to have a say so in the price of their cotton. We expect every county in the state to go over the top. We do not believe we shall be disappointed."
