**HURRICANE OF BARGAINS!**

The second week of this Forced Sale to satisfy the demands of creditors starts out with a HURRICANE of BARGAINS!

**I have to get hold of \$5,000 in the next ten days or Katzoff closes his doors.**

As we all know, confession is good for the soul, and it is good for the people to hear when it is the truth, even when it comes to the point where I have to expose S. Katzoff's embarrassing financial condition, and now you have the story in a nutshell.

The wholesale manufacturers, the bankers and the jobbers--everyone from whom we have borrowed money and purchased goods--haven't received their money. The time of giving credit by S. Katzoff's creditors has elapsed and I have promised to move heaven and earth to get them \$5,000.00 during the remaining days of this Sale.

**It's going good so far, but it will go better on the finish.**
