

SUMMERTON BOY DOES WELL AT THE CITADEL

Francis P. Mood, son of Mrs. Hattie Mood, of Summerton, has made a most enviable record at the Citadel. He is now a Senior at that institution and holds the rank of cadet captain, and is regarded as one of the best military men in the school. He is the fourth Mood to graduate from the Citadel with the coveted honor of Captain; a record of which any family should feel proud. The distinction of being the only man in the Senior Class to be a member of the Corps Honor Committee for four years is also his.

Young Mood has always stood well in his classes and is a good conscientious worker at all times and at everything he undertakes. He has been a member of the baseball squad for three years and is now showing some aptitude for football this year, his first trial at that game. Among other things he has always taken an active interest in the Young Men's Christian Association and is now Chairman of one of the important committees of that organization. He was also one of the Citadel men to go to the Blue Ridge Y. M. C. A. Conference last June.

With his sterling qualities of character, his interest in all phases of college life, and his friendly attitude towards everyone, Frank is held in high esteem by all who know him and his future success in life is easily predicted.

THE FARMERS BANK OF ATLANTA IN FINE SHAPE

At a recent meeting of the Directors of the Farmers Bank a resolution was passed calling a meeting of the stockholders to consider reducing the capital stock from \$60,000.00 to \$30,000.00. The reasons given for this are; this bank has always been able to take care of all its customers with ease and at this time owes no borrowed money; its deposits are now around \$200,000.00 and its cash on hand and in other banks is around \$140,000.00. The Directors feel that they can return \$30,000.00 to the stockholders and still be amply able

to take care of all its customers, and also, earn better dividends for its stockholders. To be able to do this at this time speaks well for the management of this institution and for this community.
