a membership of 345, there are now 1,094 members and all these are recognized as a strong force, which is aiding and moulding legislation and public opinion." For 15 years Mrs. Sprott has served as State President and has made a capable leader.

SAM BARRON PASSED AWAY THIS MORNING

This morning at 1:30 o'clock Mr. Sam W. Barron breathed his last. The deceased had been troubled with his heart for several months, but not until a few weeks ago did his condition become alarming. Everything that experts could do proved of no avail, as it was discovered that he had an incurable disease. The friends of Mr. Barron are saddened at his untimely end, at the same time they are not surprised as they were told by physicians that nothing could be done for him. Sam was one of the most popular young men of Manning, everybody liked him, and he liked everybody. He always had a smile and a pleasant word for those he came in contact with. He was just forty years of age and in the prime of life. And while we cannot understand why one in his youth and vigor should be taken, still we know He makes no mistakes, and it was His will to have our friend with Him. We humbly bow in submission to His will. The town and County has lost a good citizen, and friend. Mr. Barron was a Mason, Woodman, Knight and Shriner. He was a member of the Presbyterian Church, and the Presbyterian Sunday School. For several years he was game warden for Clarendon County. He was the owner of the Manning Realty and Insurance Agency. He is survived by Drs. Edward, Clarendon and William Barron of Columbia, Frank Barron of Charleston and Mrs. N. G. Gonzales, A. I. and P. B. Barron of Manning. Also scores of friends and relatives. The funeral services will be held in the Presbyterian Church tomorrow morning at eleven o'clock, and the burial will be in the Manning Cemetery. Rev. L. B. McCord his pastor will conduct the services. Our heartfelt sympathy goes out to the bereaved family.

EDUCATIONAL CAMPAIGN STATE AND NATION WIDE

An educational campaign State and Nation wide is scheduled for the week beginning Sunday, December 3rd and ending on Saturday, December 9th.

Information relative to this campaign has been prominent in the newspapers for some time, leaving more specific and detailed information to be given out locally.

In the absence at this time, of this consignment of literature the Clarendon County Committee is not in a position to be very definite. It is still hoped that the necessary literature and other information may be received in due time and that the general public may be put in possession of proper material for the carrying out of the program.

One of the items on the proposed schedule was to have every minister of the gospel devote a part of his service on next Sunday to some feature of education. This is quite a large field and the latitude wide, hence every preacher has the opportunity of dealing with the question in any way he may see fit. Teachers and trustees throughout the County are urged to call the attention of this feature to their preachers.

It is hereby suggested to the teachers that they arrange for some meeting of their patrons early in the week and to discuss such questions as are of vital importance to the best interests of their respective schools.

The committee has appointed special meetings at the places and time below mentioned. It is the purpose of the committee to have speakers provided for them. Teachers throughout the County are asked to give as much publicity as possible and to urge their people to attend some one of them.

THANKSGIVING DAY

Thanksgiving day originated with the Pilgrims in 1621. The day was quite irregularly observed until about 50 year ago. President Washington appointed a day in 1789, but to do so again until 1795. The choice of the last Thursday in November was made by President Lincoln in 1864 and since that day each president has followed his example.

THE CONFERENCE AT MANNING

The Central Annual Conference of the A. M. E. Church convened at Manning on 22nd inst., and closed in the afternoon of 26th inst. There was no change of the local pastor at Trinity A. M. E. Church here but there was a change of presiding elder, Rev. D. P. Pendergrass who was presiding over the Manning District was sent to the pastorate of Bethel Church at Georgetown and Rev. I. J. Pruitt of Orangeburg was appointed presiding elder of the Manning district.

Rev. Mr. Fowler, pastor of the White Methodist Church of Manning received the thanks of Bishop Chappelle and the Conference for an inspiring address which he delivered to the Conference.

Visiting ministers from almost every part of the State visited the Conference and expressed themselves freely to the hospitality and friendliness extended to them by the people of Manning. Rev. D. M. Baxter, Business Manager of our Publishing House in Philadelphia and Rev. S. S. Morris, General Secretary of Allen Christian Endeavor League, Norfolk, Va., were two of our general officers that brought greetings to the Confer-

ence. Perhaps no feature of the session received greater applause than the report on Allen University submitted by Rev. R. W. Mance the president.

The appointments that Bishop Chappelle made at the close of the Conference seemed to have given general satisfaction.
