## Cure Your Malaria

Take Oxidine. It will stop your chills and fever. It will make you well and strong again. If you live in a malarial country take it once a week. Not only will it ward off malaria, but it is an excellent tonic and appetizer. Builds you up, makes your blood red, and fills you full of life.

**Guaranteed:** Oxidine is guaranteed. If it does not stop your chills and fever you can take the empty bottles back and purchase price will be refunded.
