

**THIS STATE LEADS  
IN BAPTIST DRIVE.****South Carolina Has Largest Percentage of Oversubscription. Four Not Over Quotas.**

South Carolina is leading the entire South in the Baptist drive for \$75,000,000, according to information received yesterday from general headquarters at Nashville. This state has oversubscribed her quota by over 35 per cent., which puts the Palmetto commonwealth ahead of any other state. Georgia is second with approximately 31 per cent.

All the states with the exception of four have raised their allotments, and it is believed these will come very near reaching their quota before the work entirely ceases. The total has passed the \$88,000,000 mark and is still climbing.

Arkansas, Illinois, Louisiana and Missouri have not yet reached their quotas, but may yet do so.—The State.

**WILL PRAISE FERROLAX AS  
LONG AS HE LIVES.****Atlanta Man Says that Ferrolax Has Done More Good Than all Other Medicines Combined.**

"If it were possible for me to sell the good Ferrolax has done me, there is not enough money in this country to buy," said G. T. Giles, who lives at 142 Orme Circle, Atlanta, Ga., the other day.

"I just can't say enough for Ferrolax," continued Mr. Giles, "for it is the only medicine I have ever tried that has ever done me any good at all. Before I commenced taking Ferrolax this wonderful medicine I felt tired and worn out all the time. What I ate wouldn't agree with me and I had bad spells of indigestion very often. Just walking up a flight of steps would almost exhaust me completely. My kidneys gave me lots of trouble too, in fact I was in pretty bad shape in many ways.

"I tried many kinds of medicines, but until I got hold of Ferrolax, I just seemed to get worse instead of better all the time. Everything is very different with me now though, for Ferrolax has completely overcome my troubles, and I just feel fine and dandy all the time. My blood is in fine condition and my entire system has been greatly built up. Now Ferrolax did this for me and that is just why I say that I can't say enough for it.

Ferrolax is sold by Evans Pharmacy, Dillon and Smith's Drug Co., at Lake View. Get a bottle at these stores today. Take it according to directions and if it does not do you the good you want done come in and get your money back. Your bare word is good enough for us. Watch for the next issue of this paper and see what Ferrolax is doing for others.—advlt.

## We Wish to Thank Our Friends

for the the trade they have given us during the past year. We have an up-to-date milling plant with an invested capital of about \$100,000.00. We have built the plant hoping to provide a home market for grain and feed products in the Pee Dee section. It is our purpose to buy such products giving best price we can, to make a legitimate profit. We have been disappointed in this years' wheat crop which we have found unfit to make flour. From now on we will grind no wheat except best northern grown wheat we can buy. You will find our flour and meal second to none brought to this market. We now withdraw our cost sale price on mill products and expect to supply the trade through our merchant friends. We request our friends to ask their merchant for our products. If he cannot supply you we shall be glad to do so at our regular retail price.

We manufacture a full line of feeds. We are anxious for you to try some of our horse, cow, hog and poultry feeds. We are grain merchants and will be glad to sell corn, oats and mill feed.

Wishing you the compliments of the season and soliciting your patronage of a home enterprise, we are,

Yours to please,

**CAROLINA MILLING COMPANY**  
Dillon, S. C.

## WE HAVE For the New Year

Offering the best lot of Mules and Horses ever offered on any market for sale prices from \$300 to \$450, weighing from 900 to 1,150 lbs. each. These mules are well broke, have good hair and their ages range from 4 to 6 years.
