LIVER DIDN'T ACT DIGESTION WAS BAD

Says 65 year Old Kentucky Lady, Who Tells How She Was Relieved After a Few Doses of Black-Draught.

Meadorsville, Ky.—Mrs. Cynthia Higginbotham, of this town, says: "At my age, which is 65, the liver does not act so well as when young. A few years ago, my stomach was all out of fix. I was constipated, my liver didn't act. My digestion was bad, and it took so little to upset me. My appetite was gone. I was very weak... I decided I would give Black-Draught a thorough trial as I knew it was highly recommended for this trouble. I began taking it. I felt better after a few doses. My appetite improved and I became stronger. My bowels acted naturally and the least trouble was soon righted with a few

doses of Black-Draught." Seventy years of successful use has made Thedford's Black-Draught a standard, household remedy. Every member, of every family, at times, need the help that Black-Draught can give in cleansing the system and relieving the troubles that come from constipation, indigestion, lazy liver, etc. You cannot keep well unless your stomach, liver and bowels are in good working order. Keep them that way. Try Black-Draught. It acts promptly, gently and in a natural way. If you feel sluggish, take a dose tonight. You will feel fresh tomorrow. Price 25c. a package—One cent a dose. All druggists. J. 69

THE MOST BEAUTIFUL CAR IN AMERICA

The Ideal Five-Passenger Car

Whether the Paige Glenbrook is chosen solely because of its beauty or rather because of its mechanical excellence, a full measure of satisfaction is assured to its owner in either case.

For it is well known that, in Paige cars, beauty and efficiency go hand in hand.

The same skill in car building which is responsible for making the Glenbrook a vehicle of exceptional grace is likewise responsible for making it an exceptional car from the mechanical standpoint.

In body, power plant and chassis, it is distinctly a Paige product—setting standards of comfort, economy and dependability such as have never before been present in a car of moderate price.

Although it has been before the public no more than four months, it is destined, we believe, to revolutionize the Light Six field.

Its new six-cylinder motor—designed and built in our own shops—is a feature which, in itself, entitles the new Paige Glenbrook to a place at the head of America's finest five-passenger motor cars.

When you see this latest Paige model and ride in it, you will agree with us, we believe, that, from a mechanical as well as an artistic point of view, there is no finer five-passenger car on the market today.

That this is now quite the general opinion among motorists is indicated by the number who have already made arrangements for Spring deliveries.

Let us suggest that you give early consideration to the question of placing your order with our dealer while it is still possible for him to take care of your requirements.
