Short Course for Women at Winthrop
From July 4 to 16 the Short Course for women will be offered at Winthrop College. This course, offered at the request of the club women of the state, is designed to meet the needs of the women in the home who are hungry for intellectual stimulation and for recreation.

Any course offered during the summer school is open to those who attend this Short Course, but a special program is arranged in order that some unit in each subject may be covered in the two weeks session. This program will include studies in English, history, psychology, home nursing, household arts, household science, social science, parliamentary law and citizenship. All are interested in reducing adult illiteracy, and to aid this work Miss Eva Hite, former President of the State School Improvement Association, will give a course in methods of teaching adult illiterates.

During this course there will be several important conferences held at the college. The nurses and hospital workers of the state will hold one, lasting probably the entire two weeks. Mrs. F. S. Munsell, Chairman of the South Carolina League of Women Voters, has called a meeting of the heads of the various state organizations to meet at the college on July 6 for a conference.

This Short Course gives an opportunity for the woman in the home to renew her youth, to refresh her memory on many points, and to receive inspiration to carry back to her home and her community.

The cost of this delightful two weeks is simply the cost of board, \$9 per week or \$2 per day for a shorter length of time. Those wishing to reserve rooms or secure further information may write to Miss Leila A. Russell, Winthrop College, Rock Hill, S. C.

Attention, Ex-Service Men.

There is always some source of enjoyment for everyone in the club rooms, and the cooperation of the out of town ex-service men will make this Post one of the strongest in the state.

The dues for out of town Legion men are \$2.50 per year and this entitles you to the use of the Club and the Legion Weekly.

Any information desired will be gladly furnished by the officers of the Local Post or the Secretary of the Club.

TWICE PROVEN.

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice told testimony it's Dillon evidence—doubly proven. Mrs. Penie Edwards, 3rd Ave., says: "My kidneys were out of order and my back pained and ached in the region of my kidneys. I tired easily and was sore and lame in the morning. I also had headaches and spells of dizziness. My kidneys acted irregularly and annoyed me very much. Friends recommended Doan's Kidney Pills and I bought a supply at the Evans Pharmacy. They soon relieved the symptoms of my trouble and regulated the action of my kidneys."

Over four years ago later Mrs. Edwards added: "Everytime I hear any one complain of kidney trouble I advise them to use Doan's Kidney Pills. I still use them whenever a slight attack of my former trouble comes on and Doan's always quickly relieve me. I am glad to confirm my recommendation of 1914."
