Women Work For Federation

Mrs. J. Hamp Stone, President of Civic Association, Appeals to Members to Assist in Drive for Federation Work.

My dear Club Members: This is a call to you, as president of your club and director of your district, to do your part towards helping the Northern District win the gavel, which has been offered by Mrs. Leroy Springs, chairman of the Endowment Fund Committee. The gav-

el will be presented at the annual meeting this spring to the district securing the largest percentage of 100 per cent clubs. This means that each member of every federated club in the Northern District contribute \$1.00 to this fund. The Northern District wants this gavel. LET US WORK FOR IT.

The purpose of the Endowment Fund and the plans for securing the same are as follows. It was proposed at the 1920 Annual Convention of the Federation that a fund of \$10,000.00 be collected through voluntary contributions, the interest accruing from said fund to be used to defray the necessary expenses of the Federation. These necessary expenses have increased rapidly in the past few years due to the enlarged sphere of the Federation activities and also due to the increased cost of all materials and labor. The annual dues are inadequate to the demands of the Federation, so a substantial endowment fund is absolutely essential to the progress of the work.

The chairman of the Endowment Fund Committee reports that almost \$7,500.00 of this amount has been raised. This is Mrs. Spring's last

year as chairman of the committee. She has worked hard, her efforts have been untiring, her gifts most liberal. Now let us all work together and show our appreciation to this committee by going "over the top."

Mite boxes, to hold \$1.00, have been provided by the committee with the request that each club woman save her pennies until she has \$1.00. If you have not secured a mite box please notify me at once and I will gladly send you one.

Let the Civic Improvement Association of Clinton, S. C. start today by resolving to do our share towards reaching the \$10,000.00 goal. WON'T YOU? I AM COUNTING ON YOU.

Thanking you for your assistance and cooperation, I am,

Cordially yours,
EVIE LEWIS STONE,
Pres. Civic Improvement Association, Clinton, S. C.
