Do You Know Which Way You Are Going

Are you actually farther ahead in life's game than you were a year ago?

Is your work better than it was a year ago?

Do you know more about your work than you knew last year?

No matter what kind of work you do, are you doing it the best it can be done? Or as well as you can? Are you doing it better than you were a year ago?

A growing bank account will answer "Yes" to these questions.
