## COUNTY LIBRARY BILL PASSES

Free Conference Reaches Agreement After Deadlock. Mrs. T. L. W. Bailey Named a Trustee.

After a prolonged deadlock, the county delegation during the closing hours of the recent session, came to an agreement on the question of the county library bill.

When the matter originally came up in the house the bill provided for the creation of a corporation to be known as the Laurens county library, to be managed under the direction of a governing board of five members. When the bill went over to the senate, Senator Goodwin amended it to provide for two libraries—one at Clinton and one at Laurens. The house concurred in the senate amendments, until a later motion to reconsider the vote was offered by Representative Sullivan. Representative Huff also voted for reconsideration and Representative Parrott opposed it, thereby throwing the whole question into free conference to be adjusted.

The question remained unsettled in free conference for three weeks with a possibility looming that the entire county supply bill would likewise be thrown into conference unless an agreement could be reached. The committee, just before adjournment, reported that Senator Goodwin had receded from his amendment to provide a library in Clinton as well as Laurens, and that the bill should be passed as originally written in the lower house. Following this agreement, the free conference report was adopted and a county library at Laurens provided with a maintenance appropriation of \$1200 in the supply bill. The committee was composed of Representatives Huff, Sullivan and Parrott, and Senators Goodwin, DesPortes and Thompson.

The trustees appointed by the delegation to direct the newly created library are: Mrs. M. L. Copeland, Laurens; Mrs. B. L. Jones, Laurens; W. T. Crews, Laurens; H. Douglas Gray, Laurens; Mrs. Alvin Curry, Gray Court; Mrs. Alex Austin, Cross Hill; and Mrs. T. L. W. Bailey of this city.
