FORTY-SIX YEARS
1886 - OF SAFETY - 1932

At this season when our minds turn toward Thanksgiving we recall that when the intrepid Pilgrims landed they were thankful to be safe, and there really wasn't much else to be thankful for. Today you have all the conveniences in a world that they settled centuries ago, including a strong bank where you may deposit your money with safety, and where you will find all the facilities necessary in the smooth transaction of financial affairs. This bank is thankful for the confidence it has enjoyed for nearly a half-century.
