Post To Make Membership Drive

The American Legion will endeavor in the next week or so to build up its membership in the local post, named for two boys who went to the service from this town, Lelex Copeland and Earl Davidson.

It is the intention of the membership committee to see all eligible prospects to get them lined up with the only ex-service man's organization in the city. However, if anyone is overlooked he is asked to turn over his dues and get his membership card from Prof. H. E. Sturgeon, W. P. Burdette or J. L. Davidson, officers.
