NRA Leader
Resigns Post

(Continued from page one)
the recognition of the principles of a fair wage and of collective bargaining, and the first efforts to eliminate unfair practices within business—these, among many others are chalked up to your credit.

I hope much that during these next few months you will get a thoroughly deserved rest, and that then you will be able to help me further in the new duties and new tasks of public service. I shall see you in Washington very soon.

Faithfully yours,
Franklin D. Roosevelt.

Washington, Sept. 25.—Word of the resignation of Hugh S. Johnson as administrator of the Blue Eagle machine was received in silence at NRA to-night, with all available officials declining comment upon the actual taking of this expected step. Johnson was reported to be in New York, but his address there was unknown.

Unexciting, Slow Game Marks First Gridiron Battle of Year At Clemson Saturday. Berry Takes Oval Across For Jungaleers' Lone Score.

A gamely fighting Presbyterian college team was given its trial by ordeal Saturday afternoon and found decidedly not wanting. Playing a heavier Clemson team beneath a broiling sun, they proved themselves to be one of the best teams that Presbyterian college has had in several years.

Some five thousand spectators were at Riggs field to watch the state race open as the Tigers defeated the Blue Hose by one touchdown.

The game was not particularly thrilling except for two goal-line thrusts, one by Clemson and one by Presbyterian. Both teams were playing a very cautious brand of football, with punting playing an important part.

Clemson's lone tally came in the first quarter as a result of a brilliant forward-lateral pass combination and a smashing line attack.

The Calvinists' one dangerous bid for a touchdown came just as the third quarter was ending. It arose as a result of Bolick's recovering a Tiger fumble, and a long pass from Wilbanks' to Forehand.

The defensive work of Captain Harry Bolick, Tisdale, and Horne was outstanding for the Blue Stockings. Wilbanks' punting was a brilliant feature of the game, his longest punt being 70 yards. The longest individual run of the game was by Higbe of P. C. It was made when he returned a kick-off 26 yards.

Horne kicked off to Shores of Clemson who returned the ball to the 38-yard line. Two efforts failed to gain the needed 10 yards for the Tigers and they kicked on the third down. The ball was received on the 31-yard marker; two attempts fell short of a first down and Quarterman kicked on the third down. The kick was short, Clemson receiving it on the 48. Punts were exchanged, and then Clemson drew its "rabbit out of the hat"—a forward lateral from Berry to Kissam to Shores for nine yards. The Tigers drew a five-yard off-side penalty, but a six-yard line play gave the first first down of the game. Another triple pass gained 11 yards. Off-tackle plays by Berry, Hinson and McCown placed the ball in the shadow of the goal posts. Berry plunged over the line for the only touchdown of the game. Feller's try for goal was wide.

Higbe returned the kick-off 26 yards to the 33-yard marker. The Blue Hose failed to gain and the quarter ended as they punted.

In the second quarter neither team came within scoring distance of the goal posts, although Berry completed two passes for successive first downs. But his third air trip was intercepted by Bradley on the 27-yard line. The Blue Hose were forced to punt; Berry received and returned the ball ten yards to the Calvinists' 44-yard marker. The Tigers were thrown for a 10-yard loss; then Higbe intercepted a Jungle pass on his five-yard line. The Presbyterians were forced to punt. Henry Woodward, all-state back, entered the game for Clemson, ran two plays, gaining 15 yards on one of them, and placing the ball on the 15-yard line as the half ended.

Clemson received the kick-off and opened the second half with a series of gains over the line, but the Calvinists, and in particular Tisdale, soon put a stop to that. Clemson punted deep into Blue Hose territory, and it was then that Wilbanks made the longest punt of the day, 70 yards—from his goal line to Clemson's thirty. Clemson advanced the ball to the 41-yard marker and Bolick recovered a Jungaleer fumble to give P. C. the ball. A pass an a penalty gave a first down. A long pass, Wilbanks to Yearout, was ruled complete when Robinson, of Clemson, interfered with the receiver. Line plays failed to gain and a well-executed punt by Wilbanks went out of bounds on the nine-yard line. The Tigers punted to the 44, then a superb pass, Wilbanks to Higbe, put the Calvinists within 18 yards of their Mecca. Bolick and Abbott placed the ball on the five-yard stripe. A forward pass by Wilbanks was grounded in the end-zone, as one man covered the passer while the remainder guarded the receivers. The Blue Hose started another passing attack late in the half, but it was checked by the Tigers and the game ended as Clemson received Presbyterian's punt.

P. C. gained 78 yards from the line of scrimmage, while Clemson gained 193. The Blue Hose made five first downs to their opponents' nine. Clemson attempted nine passes, completed six for a gain of 55 yards and had two intercepted. The Calvinists attempted 11 aerials, and completed four for a total of 42 yards.

State-Wide Conference Voices Determination To Continue Temperance Efforts.

Columbia, Sept. 24.—The South Carolina Interdenominational conference adjourned here today after adopting a resolution appealing to the people of the state to "stand wholeheartedly for law enforcement, temperance and sobriety and against the curse and blight of the liquor traffic."

The resolution was drawn by a committee composed of Dr. J. M. Wells of Sumter, former Governor John G. Richards, of Liberty Hill, D. W. Robinson, Sr., of Columbia, and J. J. Lawton, of Hartsville.

The principal speaker at the meeting was Bishop Paul B. Kern of the Methodist Episcopal church, South, who asserted liquor "destroys every ideal and enterprise for which the church stands."

Bishop Kern said four issues of the church—the physical, moral, economic and social—were at stake in the temperance question, adding that "the business of the church is the creating of personality, of manhood and womanhood. Anything that retards this development comes in direct conflict with the work of the church."

Dr. J. C. Roper, of Union, president of the conference, termed repeal a failure, declared prohibition "is by far the most successful measure ever enacted or tried" and quoted figures to show what he said were conditions under prohibition and under repeal.

Dr. Roper asserted the fight for prohibition in South Carolina "is not lost" but "has just begun."

The conference opened with brief talks by Dr. C. E. Burts, St. Matthews minister, and J. J. Lawton of Hartsville, Baptist layman.

EVERYDAY SUGGESTIONS

I believe in the strictest economy in food, of course, but I draw the line of caution at "warmed over stuff" in hot weather. Better prepare fresh food for each meal—the quantity measured so that little or none will be left over as waste, or to be warmed over in its stale condition.

What set me to thinking of this—I had a midnight summons this week, to attend a mother and her nine-year-old daughter—both suffering acutely—severely vomiting and purging; they could hardly be still long enough to answer my questions as to the probable cause.

Well, they had both eaten supper at a public cafe; a bowl of chicken-and-noodles had been prepared for the noon dinner, in over-supply; the leftover part had been chucked into the ice box—and came handy for the evening meal.

A son, also with the mother, had not eaten any of the noodles or chicken—he did not have any trouble; the identity of the offender was plain. Of course it had become infected in some way, and was certainly stale, overcooked, devoid of sweet, pure, nourishing properties.

Better watch the refrigerator, too—if you are in the habit of storing desserts, meats, etc.—one can't be too clean.

The nation-wide study of pure foods has about done away with the old-time "summer complaints" that used to make the warm season a nightmare for the family doctor.

CAMPBELL BROS. CIRCUS
COMING HERE WEDNESDAY

What is promised as one of the finest exhibits of horse flesh in the country will be seen with Campbell Brothers Circus, which comes to Clinton Wednesday, October 3. One of the headline features of the circus are eight highly-educated handsome horses, surprisingly trained, working simultaneously in the same ring with the precision of a Russian ballet.

Joe Hodgini and his family of bare-back riders also offer a group of fine horses, that work in unison with the daring riders. Hall's ponies are also fine specimens of horse flesh. Their desire to work and the swiftness of their turn make a pleasing spot on the long program. William Newton also introduces a \$10,000 pony in Cupid, which adds, multiplies, divides and subtracts with ease.

Rex Cole introduces many spirited Western horses with their Hollywood Ranch Wild West. There are bucking bronks, trick horses, and Western stock of all descriptions. In the replica of the old frontier days, with the roping, whicracking and Indian dances, the horses are continually used.

Bilious Attacks
For bilious attacks due to constipation, thousands of men and women take Theodor's Black-Draught because it is purely vegetable and brings prompt, refreshing relief. "I have used Black-Draught," writes Mr. T. L. Austin, of McAdenville, N. C. "There is a package of it on my mantel now. I take it for biliousness. If I did not take it, the dullness and headache would put me out of business. It is the quickest medicine to relieve me that I know."
