

Beware The Cough

From a common cold

That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood. Creomulsion is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results.

tated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote and they rank Creomulsion top for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble. Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go get a bottle of Creomulsion right now. (Adv.)

Radio Exchange

E. M. TIMMERMAN, Prop.

We wish to thank our friends and customers for their past cooperation and business and invite your continued patronage.

In appreciation, we have remodeled and enlarged our present place of business in order to supply the public with their Radio, Refrigeration and Electrical Needs.

Graham, of Mountville; Mr. and Mrs. Lewis Kay of Honea Path, Miss Carrie Young of Greenville, and Mr. and Mrs. Walter Moore of Laurens.

Bailey's Bank Has Good Year

County's Oldest Banking Institution Maintains Its Financial Strength Over Long Period.

The report of M. S. Bailey & Son, Bankers, for the past year, showed that it has enjoyed a large volume of business and still maintains its position as one of the strong banking institutions of the state.

The bank's statement of Dec. 31st, showed total assets of \$1,292,120.77; loans \$817,049.91; deposits \$1,240,111.31, and no bills payable.

"Bailey's Bank," as it is commonly known, is privately owned and the oldest bank in the county, having been organized in February, 1886. Throughout this long period of more than a half century, it has rendered this community a complete banking service and has steadily grown to its present financial condition. It is significant that the capital stock of the bank today is the same as when it was organized, \$20,201.40.

Officers of the bank are: W. J. Bailey, president; R. C. Adair, cashier; G. L. Simpson, teller; R. G. Watson, bookkeeper.

Radio Exchange Remodeling Place

Radio Exchange, E. M. Timmerman, proprietor, is now completing an extensive remodeling and expansion program begun the first of the year. Their showroom space has been doubled, additional equipment added in the radio service department, and the entire building converted into a modern radio and electrical shop.

The enlargement of the building was made necessary, Mr. Timmerman states, to enlarge his varied stock and to meet the demand made upon the facilities of the store by its patrons. A new department of electrical supplies and service has been added, with an expert electrician employed to handle contracting, wiring, light fixtures, repairing and other electrical needs. The new radio shop will be modernized in every way and when the present work and improvements are completed it will be converted into one of the city's most attractive business places.

NATURE

SULU Sulu, deep liver-and-white pointer bitch, owned by A. G. C. Sigs, New York, Handled by Clyde Morton.

HERE is an action picture of the famous Sulu, the pointer who swept everything before her at National Field Trials of 1936 at Grand Junction, Tenn. Sulu, the queen of them all!

Thousands of bird dogs range the fields... but there's only one Sulu. To this glorious creature Nature gave her greatest gift, a perfect balance of the vital elements; speed, scent, endurance, instinct and intelligence. Another pointer may be just as good to look at, but Sulu has that vital spark—everything in perfect balance. So Sulu is the queen; the other is just a dog.

Just as Nature favored Sulu, she favored Natural Chilean Nitrate of Soda. Just as Sulu has many elements in Nature's balance, so has this nitrogen fertilizer. Nature aged and blended into Natural Chilean, more than thirty "impurities", or vital elements that your crops need to grow and to produce their best. These vital elements are in addition to Natural Chilean's quick-acting nitrogen. That's why Natural Chilean is so good for your land and your crops.

Natural Chilean NITRATE of SODA

NATURAL AS THE GROUND IT COMES FROM
With Vital Elements in Nature's Balance and Blend
