"Give Me Elbow Room"

Tired of his cramped confinement, a Clinton apartment-dweller said, "I want a place with a little ground; so I can stretch my legs and not have them in my neighbor's yard. Just give me some elbow room!"

Here is our idea of his dream come true. A 5-room bungalow with an acre and a half of ground; all city conveniences, without city noises, located 3 1/2 miles from Clinton on the Greenwood highway, landscaped to perfection in a natural setting of pines.

I understand that any family with a little money in the bank and an income of over \$75 a week can buy it.
