

P. C. Student Wins Prize for Editorial

A Presbyterian college student pocketed second-prize money for his winning editorial in a nation-wide writing contest on the alcohol problem.

Allen M. Pool of Anderson, Presbyterian senior majoring in economics, wrote his winning entry for the Intercollegiate Association for Study of the Alcohol Problem. His cash award totaled \$50.

Students throughout the United States and Canada competed. The 1949 awards were announced in Chicago by Contest Secretary Edwin H. Maynard, at the same time the winning entries were published in the November issue of International Student.

The contest, now in its third year, is part of the Intercollegiate Association's educational program.

Babson Says Advertisements In Papers Can Show Trends

Parents Advised to Send Children to Christian Schools.

Babson Park, Mass., Nov. 4.—I wonder if we spend enough time studying the advertisements in our daily or weekly newspaper? In addition to comparing prices charged by different concerns for the same articles in any given week, there is another most interesting comparison.

If you will make a scrap book of advertisements over a period of years, you will become an ardent believer in Newton's Law of Action and Reaction. One of the best clues of the financial situation is not the stock market, but the relative number of those concerns advertising to hire people compared with the number of persons wanting jobs. It would be a fine thing for newspapers to summarize these figures each week and report thereon as they now report the rainfall, temperature and stock market averages. Business and investment analysts get some of their best information from comparing the advertisements of goods and prices.

I am especially interested in watching the bankruptcy sales of businesses which appear in most Sunday newspapers. During the war, there were few such and—when they did appear—they referred mostly to garages, filling stations and other business real estate. Often then, in this column, I advised readers to buy some of these bargains. Those who followed my advice can double or triple their money today. Since the war I have been telling readers that a time will come again when more bargains can be obtained.

How To Get Bargains
These bankruptcy advertisements are now increasing; but the time to

buy has—in my opinion—not yet come. So many veterans have gone into business about which they know nothing that there may be a million business failures during the next few years. Some will be in your own community. Hence, now is a time to build up a good bank account in order to take advantage of these bargains if they later appear. More money has been made with PATIENCE than with any other thing. The "Business Opportunities" may increase every week for the next two or three years.

Next to good bank accounts, the best investments which parents can make today are in practical education. I don't mean in an ordinary college cultural education, but rather one that trains young people for some specific work—so they will be an expert in some trade, business or profession. This is what I am trying to do for young people at Babson Institute, Webber College and Utopia College—catalogs of which I will send freely to any reader. These three colleges are purely non-profit institutions which I founded largely for my millions of newspaper readers.

Importance Of Character Education
But to whatever college you send your young people be sure it is a Christian college, supported by those who believe in the Church and for all that is good which the Church stands. Colleges are now eliminating Communist teachers; but they should also dispense with all who do not believe in God, the Church and the power of sane Prayer. I fear there are too many such who are teaching our young people today. Protestants blame the Catholics for wanting their own schools, and yet the Protestants are permitting the public schools to eliminate religion altogether.

But to return to advertisements; do not be content with reading the "Business Opportunity" advertisements in your newspapers and magazines, or even the advertisements of clothes, foods, refrigerators and ra-

dios. Also read the advertisements and news columns relating to schools and churches. The future of your children depends on their character, education and health,—much more than on styles, deodorants or hair oils. If women would give the thought to the inside of their heads that they give to the outside, most of America's troubles would be over. If we men would read the editorials of our newspapers with the care which we give to reading the sports pages, there would be little unemployment and no advertised "bargains" of bankrupt businesses.

of charge from the nursery, or can order the seedlings at a shipping charge of fifty cents per thousand.

An individual landowner in the county can obtain more than the 3,000 free seedlings by paying \$2.50 per thousand for additional seedlings at the nursery, or \$3 per thousand for the seedlings delivered.

The number of free seedlings to be given each landowner was decreased from 5,000 to 3,000 this year

by the General Assembly.

Assistant Forester Price stated that landowners in Laurens county who want to plant pine seedlings this fall or winter should contact either the Laurens County Agent, the Laurens County Ranger, the district forester for the Newberry district, which includes Laurens county; a member of the Soil Conservation Service, or the Columbia office of the S. C. State Commission of Forestry.

OLDEST AND LARGEST B. & L. ASSOCIATION IN LAURENS COUNTY

That's Our Business

The purpose of our association is to help citizens of this community own their own homes, and at the same time provide investment opportunities for those persons who wish to put their idle funds to work. Hundreds of homes have been built in this county through financing by this association, and we are real proud of our record of achievement for 40 years.

If you wish to build a home of your own, we suggest you come in and talk to us about it. Or if you have money to invest come to see us. You'll find our association a good place to borrow or invest money.

Say—"I SAW IT IN THE CHRONICLE" Thank You

Longer, Heavier, with Wider Tread
the big car in the low-price field, with all the advantages of more riding-comfort, road-steadiness and safety.

Center-Point Steering
with control centered between the front wheels for maximum driving-ease with minimum driver fatigue.

World's Champion Valve-in-Head Engine
the extra efficient power plant with the valve-in-head design that's setting the trend for the automotive industry.

Curved Windshield with Panoramic Visibility
supplying all that extra vision which means extra safety in driving with a fuller, freer view all about you.

Only one low-priced car brings you all these **EXTRA VALUES**

...and it's the **LOWEST PRICED LINE IN ITS FIELD!**

Extra Economical to Own and Operate
and traditionally worth more when you trade; for Chevrolet is America's most wanted motor car—new or used!

Fisher Body Styling and Luxury
with smooth, graceful curves, new interior richness and such extra luxuries as Push-Button Door Handles.

Fisher Unisteel Body Construction
with steel welded to steel above, below and all around you for the highest degree of solidity, quietness and safety.

5-Inch Wide-Base Rims, plus Low-Pressure Tires
the widest rims in the low-price field—plus extra low-pressure tires—for greater stability and riding-comfort.

Certi-Safe Hydraulic Brakes
more outstanding than ever before with new *Dubl-Life* Rivetless brake linings that last up to twice as long.
