POOR MORPHEUS
Insomnia sufferers of old ate raw white onions to woo the arms of Morpheus. Pity the poor husband or wife! Today we have more reliable methods of inducing sleep... sleeping pills and the tranquilizers for example. But, these medications are prescription items and should be taken only upon the advice of your physician. Check the obvious reasons for sleeplessness first—it may be caused by a lumpy mattress. Then, if the condition continues, see your doctor. If he recommends medication, we'll be glad to fill his prescription.

CHAINS

These hands might have painted the world's greatest masterpiece. These hands might have played faultlessly the most difficult concerto. These hands might have mixed a compound that would destroy disease. These hands might have been raised in blessing over a trusting mankind. Instead, they are chained. Somewhere, somehow, they failed. Perhaps they reached over a counter and stealthily snatched a jewel. Perhaps they searched a safe and took what other hands had worked for. Perhaps they held the gun that wiped out a life. Somewhere they went wrong. Somewhere they failed. Hands do not act by themselves. Personalities control them—personalities swayed by impulses and convictions, good and bad. The Church, your Church, is waiting to guide hands, minds, hearts and lives. Here good impulses, right convictions are born and nurtured. Here, in God's House, hands learn to move aright to find life's work, unchained and triumphant.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plans to go to church regularly and read your Bible daily.
