WHEN A MAN HAS A BROTHER

THE CHURCH FOR ALL—ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	I John	2	9-12
Monday	I John	4	20-21
Tuesday	Romans	12	9-10
Wednesday	Proverbs	17	12-14
Thursday	I Corinthians	16	12-14
Friday	John	10	9-11
Saturday	Psalm	55	13-14

A man's got to look after his brother. That's what Timmy said the other day, as he stood beside our baby. And I told him he was right. "You are so much stronger than this tiny, little creature," I said. "From now on, you've got a real responsibility!"

A man does have to look after his brother . . . especially when that brother is weak. But there are moments, too, when even the strongest man may need a brother!

In the eyes of the Church, all men are brothers, just as all men are equally beloved. As long as there is a church near you, you are not alone. You have only to open the door and walk in and you will be at one with your fellow man . . . and at home with your brothers.
