MRS. MCKITTRICK HONORED

The Lydia Community Building was the scene of a pink and blue shower in honor of Mrs. Linda McKittrick on Saturday evening.

Several games were enjoyed by the group present, after which the hostesses, Mrs. Melvin Satterfield, Mrs. Jerald Satterfield and Mrs. E. Woodward, served party refreshments.

Mrs. McKittrick was presented

WOMAN'S CLUB BOX SUPPER ENJOYED

The Lydia Woman's Club held the February meeting on Thursday evening at the Lydia Community Building, with the husbands as guests.

Colors of red and white predominated in the decorations.

Each of the member brought a covered dish for the buffet supper in

a gaily decorated box.
Frills, ribbon, dolls, Easter chicks and hats decorated the very pretty boxes, with the prize going to Mrs. Bill Fennell for her representation of Easter chicks in a fence.

The buffet table was centered with a lovely red and white arrangement.

Tables were arranged in the lounge and the Boy Scout room for the twenty-seven members and their

guests.
The group sang "America," after which Mrs. Ralph Riddle, president, welcomed the guests and members. Rev. Roscoe Bryan gave the invocation.

Following supper a few games were directed by Mrs. Clyde Trammell, program chairman.

A short business session was held, with plans for an early Atlanta trip and other projects discussed.

"CORVAIR HANDLES BETTER, STEERS MORE EASILY, RESPONDS MUCH MORE QUICKLY AND HOLDS THE ROAD MORE SECURELY THAN ANY STOCK FOUR-DOOR SEDAN EVER MADE IN THE U.S."

—Jim Whipple, Car Life

If you think we're enthusiastic about Corvair, leaf through the leading automotive, sports and science magazines and see what the experts are saying. Then, by all means, drive one yourself.

"Corvair's steering is so light that at parking speeds it feels power assisted; it is so precise as to be absolutely without play, and it is fast enough to allow complete control over every situation."
—Karl Ludvigsen, Sports Cars Illustrated

"In the Corvair than in some standard size cars..."
—L. H. Housch, Automotive News

"So far as shopping goes, the Corvair is a housewife's dream. It's small and easily maneuvered without any power steering, and so easily parked... it's a lot easier to unload a cart full of groceries into a front trunk at the supermarket than it is into a rear one."
—Rosemary Francis, Popular Science

"Most surprising thing to me outside of the excellent handling characteristics was the feeling of roominess inside... I didn't have the sensation of driving a small car and the headroom was greater

"I want to state as firmly as I can that the Corvair handles as beautifully and is as safe as—if not safer than—any family car on the road today."
—Jim Whipple, Car Life

"There is none of the typical whine normally associated with rear-engined vehicles. Inside the car, the effect is quite unlike anything we have ever experienced. It almost seems that there is no engine, and the general effect is so quiet as to be almost uncanny."
—John R. Bond, Road & Track

"No written word can suffice for the genuine pleasure that you will receive behind the wheel of America's newest and most advanced contribution to transportation... It is a great car."
—Don Stewart, Motor Life

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plans to go to church regularly and read your Bible daily.

You can almost hear their voices, and see their eyes sparkle. They have confidence because they have studied their lessons. Questions do not worry them—they know!

Will they be as confident when it comes to the more serious questions of adult life? Those who grow up in the Church and give God His rightful place are building on a firm foundation. In His House they "increase in wisdom and stature and in favor with God and man." There is no substitute for the Christian precepts and ideals taught by your church.

But what about those who lack this training? Will life seem difficult to them because they lack the confidence which comes from a knowledge of God and His teachings?

Do your children have the advantage of this confidence?

NOW IS THE TIME!

- To Plant New Pecan Trees
- To Fertilize Bearing Pecan Trees

FOR NEW TREES
Young, healthy 5-6 foot pecan trees are now for sale at wholesale nursery price of \$3. each (less if bought in quantity lots) at T. B. Young Co. Get them now while the supply lasts. Plant in February for soonest cash crop on your trees. Mail orders are accepted, shipped Railway Express COD. T. B. Young and Company buyers assure you of an always stable market for your crop. A representative will be at 913 Friend St. (next to Thomas & Howard, across from Standard Warehouse) in Newberry all day Saturday, February 27. This will be the last trip of year.

FOR PRESENT TREES
Use either 100 pounds of 188 fertilizer, or 25 pounds of ammonium nitrate, or 50 pounds of nitrate of soda. Broadcast soil under the spread of the branches during month of February. Also, use 2-3 pounds of zinc sulphate (available) at T. B. Young's) or 10-15 pounds if trees has not borne in recent years. For special problems, contact your county farm agent or T. B. Young Company for recommendations. Fertilize every year for continuing benefits.
