## The High Places

Does the goal you're seeking seem as remote—as unattainable—as this snow-frosted mountain top? Does it seem, sometimes, as if you'll never get there? Are you on the verge of giving up?

Don't! Though your objective may seem light-years beyond your reach, if it's the right thing for you, God will help you to attain it, if you'll let Him. The teachings of His Church will help you find the patience and endurance you need to accept setbacks... and still keep trying.

Don't try to climb to the top all by yourself. It's a lonely ascent. Let the Church help you, as it helped those who were here before you... and as it will help those who come after you.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
