Did you ever notice that small children talk about God with a faith so simple, so beautiful that you cannot question its sincerity? Ask them why they like the rain, for instance, and they may answer, "Because God made it, so the flowers will grow."

Unlike grown-ups, children accept God's order without a doubt. They believe in his love for them as naturally as they get up with the daylight and go to bed with the dark.

In God's eyes, we are all children... His children. And what we adults have lost in the way of vision, in the way of faith, must be renewed and replenished with each day and advancing year. We, too, can find God again—and, often, ourselves as well—by going to church, by praying, and by accepting the love He stands so ready to give us.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
