## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	John	19	28-42
Monday	John	20	1-25
Tuesday	John	21	1-13
Wednesday	Matthew	14	25-35
Thursday	Matthew	18	1-10
Friday	John	15	21-25
Saturday	John	21	15-25

It is not strange that someone chose this lonely spot to erect a reverent memorial. It was on a desolate hill that three crosses stood many centuries ago... the Cross of the Saviour... and of the penitent... and of the scoffer.

Always these crosses have seemed to belong to the desolate hills of life. When a man feels the crushing burden of worldly care upon him, when he trudges the steep trail lost and alone — then, either he will claim the Love and Strength of Christ as did the penitent, or like the scoffer he will let his unbelief destroy his soul.

But no man should wait for a time of desolation to make life's most joyous decision. It can be made today... and sealed with years of happy service in the church of one's choice.
