RECREATION NEWS

Bailey Little Boys team finished in first place for the first half of the season. All teams in the Little Boys League started playing for the cup Tuesday night. Each team will meet the other twice, making a total of ten games. The coach of the winning team will be head coach of the all-stars and the coach of the runner-up team will be his assistant. The coaches in the Pony League will also coach the Pony all-stars.

TENNIS SEASON OPENS
The tennis season will open Monday at 8:00 a. m. on the Presbyterian College courts under the direction of Coach Jim Leighton, tennis coach at Presbyterian College. About 75 to 100 boys and girls are expected to turn out for the tennis program.

Gary Laney of the Moose Club and Donald Watts of the Kiwanis Club are running neck and neck in the home run race, with four each. Donald Watts also leads in batting with a .636 average. This is more than a hundred points over his second place opponent, Binky Wingard, who has a .500 average.

Mike Osborne of Joanna, leads in strike-outs with 49. Teddy Coppick of the Kiwanis Club, is running a close second, with 47 strike-outs.

PONY LEAGUE NEWS
The Whitmire Pony team is still undefeated. They have won five straight games, with ten games to play. Thornwell is in second place, with two wins and one loss, this being to Whitmire. Thornwell has two games to make up. One is with Lydia which was rained out last week. The other is with Joanna. This game was supposed to be the opening game of the Pony season, but four of Thornwell's Pony team were playing with Thornwell's high school team for the Class C state championship title.

Scouter Holcomb of the Hampton Avenue team and Jerry Alexander of the Whitmire team, are tied in home runs, with two each. At present there are twenty-four

boys in the Pony League hitting 300 or more. Mike Timmons of Thornwell leads the batting with a hot 750 average. Jerry Alexander is next with a .583 average.

All players be sure to have smooth bottom tennis shoes. Basketball or suction bottom shoes WILL NOT BE ALLOWED on the court. This type shoe has a tendency to tear up the courts.

Practice will be held on Monday, Wednesday, and Friday of each week from 8:00 to 9:00 a. m. Be sure to have a tennis racquet, tennis shoes and balls ready come Monday morning.

GIRLS' SOFTBALL
The girls' softball season will soon be opening. Two teams from each of the following places will field teams: Whitmire, Joanna, Clinton, Watts, and Laurens. Mrs. Fuller Motes will coach the Clinton teams, assisted by Amelia Nichols. Each team will play the others twice. The Clinton teams play to play their home games on Thursday nights if it suits the other teams.

The Clinton teams have been working hard for the past two weeks getting into shape for the opening game.
