MRS. BICKLEY COMPLIMENTED
On Monday evening, June 20, Mrs. Hugh Bickley was complimented with a "This Is Your Night" party by the ladies of Epworth Methodist Church. The unique entertainment was led by Miss Kittie Mae Moseley. A number of games were enjoyed and the highlight of the evening was the crowning of the honoree as Queen of the Night. A gold taffeta robe edged in var-colored beads and a matching crown was placed in the honored guest as she was named "Queen Dale, Queen of the Night." She was presented a sterling silver sugar and creamer on a tray appropriately engraved.

A buffet supper was served from an appointed table centered with an arrangement of shasta daisies on a silver stand. Red and white gladioli were used at vantage points in the social hall.

Rev. and Mrs. Bickley will leave Joanna on July 5 to make their home in Clinton where he will be pastor of the Sandy Springs and Lydia Methodist Churches.

CARD OF THANKS
Words cannot express the deep appreciation we feel at this time, for the care given our loved ones and the kind consideration shown us in the loss of our husband and father. To Dr. Fuller, Dr. McFadden and the staff of Joanna hospital we are grateful. For the food served, the flowers, prayers, cards, visits and each act of kindness we will hold in grateful remembrance.

CARD OF THANKS
It was a challenge for us, seeing what the good neighbors and friends on the Whitmire highway did for us in the recent passing of our loved one, M. L. (Bud) Flow. And to our

good pastor and members of the Methodist church for their cooperation during our time of sorrow. May God bless each of you. Please call

for the dishes left in our home. —MR. AND MRS. B. C. FLOW
NOTE OF THANKS
As it would be impossible for me

to speak to each of you personally, I would like to take this opportunity to thank you for every consideration shown me while I was your Chron-

icle correspondent and representative. It was a pleasure to write the column each week and without your help I could not have written it. I

hope that you will welcome your new representative, Mrs. Homer Jacks, and help her as she brings you the news of your friends and

neighbors each week. Again I say thank you for all your help and kind words.

KILL OR CURE?

Some folks used to eat tobacco for medicinal purposes. They thought the ingredients of tobacco would kill any poison in the system. We know better now—thanks to medical research. We've learned, too, that it's best to ask your physician's advice before taking any medicines. Be wise in matters of health. When you're ill, let your doctor do the diagnosing and prescribing. Then, if he orders medication, come to us for prescription service.
