Fence-sitting isn't the safest occupation for the small fry, even if it is fun.

But fence-sitting for grown-ups is neither safe nor fun!

A man has to take a stand. He must let the world know his convictions. He must live them!

The principles in which we believe can perish while we dawdle uncommitted, uncertain or un-churched.

Behind the iron curtain men who are determined to overthrow freedom and faith hide neither their communism nor their atheism.

Here in America on a Sunday morning; no man can afford to sit on the fence IF he believes in God, and in the right to worship Him in the Church of his choice.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

SPITTING ON A STONE?

Ever try spitting on a stone to ease pain? Sounds foolish, nowadays. But a long time ago folks actually used this "remedy." We're lucky to be living in this age of modern medicine. Medical science has given us many wonderful pain relievers and other reliable, effective drugs. However, it's still not wise to use any medication indiscriminately. When you don't feel up to par, ask your physician's advice first. Then, if he prescribes medication, come to us. We'll fill his prescription promptly and carefully.
