CHOICE BEEF | chuck steak LB. 49^C | How to Marinate for added flavor, tenderness Buy any cut of chuck steak being sure it is at least 1-inch thick for best flavor and juiciness. Allow 1/2-lb. per serving. Slash for edges of steak to prevent curling. Place meat in shallow glass container. Mix remaining ingredients; pour over meat. Cover; let stand at room temperature one hour or overnight in refrigerator. Turn several times in marinade. Grill 4 inches from heat allowing about 10 minutes on each side for medium rare steak. |
