

G. N. Foy Closes 39-Year Career With S. C. Schools

Joanna—Groover N. Foy, assistant School District 36 superintendent, retired July 1 with most of the 39 years of his teaching career having been spent in the schools of Laurens County.

Mr. Foy, a son of the late John Barrington Foy and Carrie Ell Edwards Foy, was born January 14, 1895, near Saluda. He graduated from Saluda High School in 1914, following which he entered The Citadel on a scholarship. At the end of his sophomore year, his college career was interrupted by his being called into National Guard service on the Mexican border and in the National Army until December 18, 1918.

On January 1, 1919, Mr. Foy was employed by Bradstreet Company but the death of his father in July of the same year made it necessary that he return home where he was engaged in looking after family affairs until the fall of 1921 when he entered the teaching profession.

He was principal successively of Pond Hollow School, Hartsville; Wilson School, Bennettsville; Vance School, Vance; and Watts Mill School in Laurens County, until he came to Goldville (now Joanna) in

1929. While teaching he continued his college work and graduated from Newberry College in 1934. Later he enrolled for graduate work at the University of South Carolina where he was awarded the MA degree in 1947.

He is a Phi Beta Kappa and is a member of the Wofford College chapter.

During his professional career, Mr. Foy has been active in religious, civic and social, as well as educational affairs. He is a member of the Joanna Baptist Church, having served extensively as teacher of adult Bible classes. He is a former scoutmaster, and served for a number of years as chairman of advancement for the Blue Ridge Council. He is a former chairman of the Joanna Foundation, and is now a member of that organization. He is a member of Kiwanis, Laurens County Education Association, of which he served two terms as president, a member of the South Carolina Education Association, National Education Association, the American Association of School Administrators, and former member of both the American Recreation Society and the South Carolina Recreation Society.

North Augusta at 8:00 p. m. The Thornwell Pony team is in second place and Hampton Avenue is third at the present time. If each of these teams win one game each they will end the season in second and third place, respectively. Bailey is one game back of Hampton Ave., but have to play the undefeated Whitmire team, whereas Thornwell and Hampton Ave. do not meet Whitmire any more this season.

Jerry Alexander of Whitmire, is leading his own teammate, William Graham, by one point in the batting averages. Nine of the Whitmire players are batting 3.00 or more. Jerry leads with .486 and William .485.

Scotter Holcombe of the Hampton Ave. team leads in home runs with five and strikeouts with 62. Johnny Alexander of Whitmire and Freddie Whitman of Bailey have hit four each.

LITTLE BOYS LEAGUE
The Moose Club and Joanna are tied for first place in the Little Boys League. Joanna has a make-up game with the Kiwanis Club. Both two clubs have lost one game each, with two to play.

The Lions Club and Exchange Club are tied for third place, with five wins and three losses. There is a chance for any of the above teams to win the trophy.

Donald Watts of the Kiwanis Club is still leading in batting, with Mark King of the Lions Club second. These two boys are really battling it out for the batting crown. Watts is hitting .590 and King .548. The Kiwanis Club has three of the first five in the batting averages.

Coach Jim Leighton is doing a fine job with his tennis group. More boys and girls are playing tennis now than has been in Clinton in over fifteen years. Maybe Clinton will have some more good young tennis players in the very near future. It is a fine game for grown-ups, too. Anyone can join Coach Leighton's class at 8:00 a. m. on Monday, Wednesday and Friday.

A total of 39 home runs have been hit by the Little Boys and a total of 30 home runs have been hit by the Pony Leaguers.

The Little Boys that are trying out for all-stars went to Ware Shoals yesterday for an exhibition game and Ware Shoals plays here today. The Little Boys tournament will be in Abbeville this year. This tournament also starts the 18th of July. Clinton will not play until Tuesday night, July 19, as they drew a bye in the first round. All games in the regular Little Boys schedule will be moved up to the first part of next week so as to leave two or three days for an all-star practice.
