**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Are you a worry expert?  
Some people gather up all the worries of the past and combine them with the anxieties of the future. These they add to the burdens of the present — a huge bundle indeed.

What a difference it would make in their peace and happiness if they could take each day as it comes.

Jesus said, "Sufficient unto the day is the evil thereof." He not only taught but He lived this lesson. Toil and misunderstanding filled the days of His ministry. Yet He met each one with calm assurance. Forgetting the past, He faced each tomorrow with inward peace.

This peace He willed to His followers through all the ages. Come to church and learn how to make this heritage your own.
