REAL TEAR JERKER

Not too many years ago, a common remedy for lung diseases was an onion plaster. "Strong," but hardly effective. Now, thanks to medical research we have powerful drugs which have drastically reduced the death rate among lung patients. Effective medications are important to your health. When you're ill, they can mean the difference between pain and comfort... between life and death. So, don't rely on home remedies. Let your physician decide what medications will be best for you. Then let us fill his prescriptions.
