there's more to be seen...

Deep in the human heart is the desire for greater and wider vision. It prompted early man to climb the trees and to scale the peaks. Every year it lures thousands to the top of the Empire State Building. It inspired the telescope and microscope, and eventually radar.

Similar to this yearning for vision, yet sacred in its powerful prompting, has been man's spiritual quest. Although there is much natural evidence around us to prove there is a God, we want to understand His mind, His power and will... His heart!

No human inventions are needed here. In the Church established by Jesus Christ, in the Truth taught by Jesus Christ, in the Life inspired by Jesus Christ — each of us finds that wider vision his soul craves.

THE CHURCH FOR ALL - ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs financial and material support. Plan to go to church regularly and read your Bible daily.
