A Great Battle.

Is continually going on in the human system. The demon of impure blood strives to gain victory over the constitution, to ruin health, to drag victims to the grave. Hood's Pills cure nausea, sickness, indigestion and biliousness. 25c.

That the blood should perform its vital functions, it is absolutely necessary it should not only be pure but rich in life-giving elements. These results are best effected by the use of that well known standard blood-purifier, Ayer's Sarsaparilla.

When Baby was sick, we gave her Castoria. When she was a Child, she clung to Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

The entering wedge of a fatal complaint is often a slight cold, which a dose or two of Ayer's Cherry Pectoral might have cured at the commencement. Therefore, it is advisable to have this prompt and sure remedy always at hand to meet an emergency.

From Our Correspondents.

DeKalb.

Dear Chronicle:—The ground for the second time this winter is covered with its mantle of white, but to-day it is fast melting and soon no trace of the beautiful snow can be found.

Mr. A. W. Hockaday and family of West Waterer, have moved in this community. We heartily welcome them to our midst.

Mr. John Tronpman is on a visit to relatives at Gastonia, N. C. Messrs. J. N. Watts and J. F. Creed have our prosperous merchants want to Charleston last week on business.

Rev. J. N. Entzinger of Westville, preached an interesting sermon at D. Kobb last Sunday.

Messrs. Frank and Joe Turner were visiting in this community recently.

Mr. T. L. Whit and family left here Friday for Larkspur where he is together with Mr. S. J. E. Young will put up a sawmill at that place.

We will close with best wishes for the Chronicle. Pet.

McOliver.

Dear Chronicle:—The weather has somewhat moderated which we are certainly glad to see.

Miss J. M. Phillips and little ones, Inez, Carlisle, David and Milton, are spending some time with their lives here. We wish them a pleasant visit and hope they will not make their stay too short.

Messrs. Simpson and Hough, two of our most popular young men have returned to Clemson. We wish them a pleasant year at College.

The quarterly meeting at Beulah was a failure, on account of the unfavorable weather. It will be held sometime in the near future.

Miss Minnie Davis, of Congaree, is visiting friends here. We have been having a delightful time snowed out. We know Bro. "H. P. J." wishes he was being dragged.

Swift Creek.

Dear Chronicle:—Thinking that an item from this section would be of interest, I will give you a few dots sincerely hoping it will be acceptable.

The gift of the "blessed" Master in the form of snow was seen what a shock to us all.

Our farmers are at a standstill, with their work as the weather will not permit it any other way. We should be so thankful to know that we have one above that knows our wants better than ourselves. If we will only trust in Him with implicit faith, we shall not suffer.

With Mr. Editor, as we are no dancer, we endorse what Vivian has to say about dancing. We would like for the dear readers of The Chronicle to read the 5th, 6th and 7th.

Gum Springs.

Dear Chronicle:—We are having some very unpleasant weather just now, but hope it will change.

Mr. Sam Hough, of the Beulah section, spent last Saturday and Sunday in our vicinity.

Mr. D. M. McCaskill left for Clemson College, the 20th inst. We wish him much success.

Mr. B. M. Halson, a clever young man of Beulah, was in this section recently. Well Bro. H. P. J. we can't answer for Sister Vivian, but can for ourselves, we haven't seen anything of J. E. since stanchet was a humor.

Abney.

Mr. Editor:—After a long silence I come again claiming my space among your correspondents. We have been on our p's and q's this week but have not been able to gather much news.

S. I. will endeavor to let Bro. H. P. J. know I have returned from my trip across the Blue Ridge mountains, and that I have not taken up his trade yet, nor I will not until he drops it. Bro. Don't measure our corn by your half bushel, but you know when Mr. R. L. put such a move on you down the big road and you run into a hog pen and lost your job. And when you got out of that hog pen and into the road again, I heard a responsible man say that he could have played marbles on your coat tail, you were going in a mighty hurry, but we don't know where you went and we don't know you did not go to the Blue Ridge mountains and we don't think you went to the promised land. We would like to know where he went for we haven't heard from him since, but I

We have a new Grange organized at Piznah. Hope it will prove an advantage to our farmers.

At this time of the year we have never seen as little farm work done as at present. Not a man has run a farrow.

The dance given at the residence of Mr. John Gillis last Wednesday night was largely attended, and enjoyed by every one who was present.

Well, "Vivian," you say that "J. L. G." was forced to change his road. We will say here that people travel roads until they are forced to change their route. But we think it a part of wisdom when a man gets into a rough, stumpy road to get out of it as quick as possible.

Lucknow.

Dear Editor:—It affords me great pleasure to write to your valuable paper, but very sad to say that Mr. H. H. Hall died on Friday the 8th inst. He died in Camden and lived only about three hours after he was taken sick. He was buried on Sunday, the 10th, at Sandy Grove Church. He was about 67 years old and had a wide influ-

ence and will be missed much by his family and best of friends. He be- came aged, have our deepest sympathies. He has paid that debt we all have to pay but it is long in coming. No one knows the length.

The weather has been very cold recently. I saw some boys skating on the ice and having a lively time, but the ice did not last long. One of the young boys, I just went out last to his body in his head in a star in the ice. He got up looking two ways for Monday, and he said that was his last time.

"Brooklyn Eyes" and his sport gave us a good few days ago. She says she thinks a great deal of the punchers, but I don't think it will do her any good but it may be the puncher she she said she expected to get into a job some time soon.

Mr. Y. H. Humber and wife, of N. C. are visiting friends near this place.

Miss M. P. Randolph is visiting Mr. E. W. Hall's family.

Master Jake Marshall and Miss Lou Bradford, are visiting young lady of Lenoirwood, are visiting near this place.

Mr. V. Randolph and Gilman C. Churn were sporting in this neighborhood last Sunday.

Mr. I. E. Gray, of N. C., who has been visiting his daughter here, has returned home.

With best wishes to The Chronicle I close. H. A. G.

Bell Branch.

Mr. Editor:—I beg space in your valuable paper for a few dots from this neighborhood.

We have had some of what I call bad weather. Snow will average from 7 to 8 in depth, which was not seen here for many years.

We think out here the cotton is better than we plant the poorer and poorer we get.

Miss Mann Bethune and Mr. E. K. McLaughlin were in our burg last Sunday.

Miss J. M. Hill has been on a visit to Mr. J. H. Randolph.

Mr. Henry Plate and Miss L. E. Marshall were united in wedlock on the 10th inst.

Mr. H. H. Hall died on the 8th inst. in Camden at S. W. Hall's nephew, and was buried at Sandy Grove Church on the 10th inst. We suppose that there were about two hundred and fifty people present. He has a wife and five children to mourn his death. We extend our sympathies to the bereaved family. P. W. Bay.

Kelley's Merchant Mill.

News is scarce, money scarce. From work has almost entirely been suspended for the past 3 weeks. Everything seems to be on the down look. The farmers seem to be in a hopeless condition.

Mr. Lawrence Holland who left here some time ago for Ala., returned last Saturday.

Mr. Abraham Galaway, of this vicinity, is living very ill. Mr. Ed. who is "H. A. J." keeping himself in these hard times. He is not asleep.

Lots of sickness in our burg at the time.

Mr. Richard Hyatt, of Bishopville, is doing business at Lucknow for Rufus Ross. Sam Slack.

Long view.

A very nice time was had by a few friends who gathered at the hospitable residence of Mr. Levi Moore on the 11th inst. We think, however, that there were a few there who were looking for some boys and girls from Kershaw whose pleasure was somewhat marred by their not coming. Myself among the number would have been much pleased to have seen one of the Kershaw girls there.

We are having very rough weather or now. The grain is all killed in this section.

I will close for this time. Yours truly, P. W. Bay.

Bring Us What You've Got.

Corn, peas, meat, potatoes, wood or anything which can be utilized in housekeeping will be taken on subscription to The Chronicle if you have not got the money.
