Arm Broken.

On Monday of last week the little four-year-old son of Mr. J. A. McCaskill met with the misfortune of getting one of his arms broken. We are glad to learn, however, that he is rapidly improving.

Thanks.

Our good friend, Mr. Henry T. Johnson, of Shamrock, has our thanks for one of the finest watermelons we have seen this year. It was not only fine in size—about 35 lbs—but fine also in quality, and was enjoyed only as an appreciative editor can.

Sunday School Convention.

We have been furnished by a valued friend a full report of the West Wateree Township Sunday School Convention. Owing to the lateness of the hour at which it was received it was impossible for us to publish it this week, but it will appear in our next issue.

Attention, School Patrons.

Patrons of the Cleveland school in District No. 2 are urged to attend a meeting to be held on Saturday, Aug 29th, at 1 o'clock p. m. for the purpose of electing upon a teacher for the ensuing term. All the patrons of the school are urgd by the board to be present.

J. F. West, Trustee.

Fire.

The turpentine still of Parham & Waters was burned on last Monday. There was no insurance and the loss is considerable.

Mr. L. E. Alford lost one of his tobacco barns by fire on Monday last. We understand that several hundred dollar's worth of tobacco was in the barn which was also lost.

A Card From Dr. Hook.

Editor Camden Chronicle:—Owing to the extensive amount of work I have had during the campaign appointments over the county, which kept me from attending any of the meetings, I have concluded to withdraw from the race, thanking my friends for their kind solicitations. Respectfully,

L. M. Hook, M. D.

A Card From Judge Holland.

I regret very much to appear so often in the public prints in regard to my candidacy, but I am informed that it is currently reported that I will withdraw from the race for the House of Representatives and I wish to state to my friends that such report is utterly without foundation and as I have said before they will find me in the race to the finish.

Very Respectfully,

J. F. Holland.

Cure for Sick Headache.

Thousands of ladies suffer from sick headache caused undoubtedly by disordered liver or stomach. The best remedy that can be obtained for this distressing complaint is found in Hood's Pills. These pills are so mild and gentle in action, yet so thorough, that they give perfect satisfaction. They cure sick headache, jaundice, sour stomach and all liver ills. They break up colds and fevers and prevent the grip.

Saved the Babies.

Mr. J. T. McAlister, of Atlanta, Ga., says: "Last June Germetuer saved our baby, Paul, carried him safely through an extremely bad case of dysentery and teething, and from a mere skeleton of skin and bone, it has made him a great big solid chunk of thirty or thirty-five pounds."

FAT AS A PIG.

J. J. Scruggs, of Sidon, Miss., says: "Our little girl 9 months old, was in a very low state from summer complaint and Germetuer made her as fat as a pig."

Married.

Mr. John Cureton, of Kershaw, and Miss Josie Kennedy, daughter of Gen. Kennedy, were married on last Wednesday at 12 M. They left in the afternoon for Kershaw their future home.

Death of Mr. Holland.

Mr. Woodward Holland died at 5 minutes after 8 o'clock on last Monday morning. He was sick only a short time and his death was quite a surprise. Mr. Holland leaves many friends in this county who will regret exceedingly to learn of his death.

The Campaign.

The county campaign has closed and the candidates are to be congratulated upon the high plane upon which the campaign was conducted. They set an example worthy their emulation of our State candidates. Our candidates are a good, manly set of men and are running the race in a pleasant and friendly manner, and those who are not nominated, we are sure, like good Democrats, will heartily support the nominees.

The candidates are unanimous in their praise of the kind and hospitable treatment they have received at the hands of the people wherever they have been.

God's Services Monopolized.

Dear Chronicle:—In our travels in this low land of ours we often see the above truth fully demonstrated. We often go to our country churches where the congregation (though members of the church) are not allowed the sacred privilege of joining in the singing. We have seen these facts fully demonstrated not very long ago. We saw the organ placed upon a platform right beside the pulpit where there was only space enough for four persons who, of course, did, or tried to do, the singing. The pastor did not even announce the hymn to be used only turned to the organist and said "sing something."

Now we think this is an injustice to the members of the church and has a tendency to throw a coolness upon any meeting no matter how eloquent the sermon may be. Take a church that is filled to its utmost capacity with people, one half of them being members of the church, and only let a few get off in a corner where there is not space enough only for five persons to sit and do all the singing and you will see a cool change come over the entire audience. It's a shame, it's wrong, it's selfish, more than all it is a sin. Man in his natural state is a jealous creature and he don't like to see anything monopolized, especially God's services and we can't help but think that it is right and proper for the pastor of any church to announce the hymn that he intends to use, and read it over so that all can get a chance to sing if they wish. By doing this it would help the minister materially in his work. A man who takes no part (or is not allowed to take any part) in anything soon looses the interest in anything, to say nothing of the house of God. We read in the sacred book these words: "They sang a hymn." It does not say that two or three got away off in a corner and done all the singing but it means that ALL of them had a chance to sing or did sing. We hear some say that the meeting was poor, no interest taken, the people were so cold, they had such poor singing, they did not enjoy it, etc. It was simply because these very people were not allowed to take part in the most important part of the services—the singing. A good sermon with no singing is like broth with no salt—tasteless.

We hope that the officers of the several churches where this selfish act is being practiced will put forth an effort and have it stopped so that all—old and young—can take part in our Master's services.

We could go on and say a great deal on the subject but anyone can see at a glance that this should suffice. They now have the outlines of what I am aiming at, now let those who have the power to remedy this grievance do so, and instead of cool meetings, they will have glorious revivals.

Relief in Six Hours.

Distressing Kidney and Bladder diseases relieved in six hours by the "New Great South American Kidney Cure." This new remedy is a great surprise on account of its exceeding promptness in relieving pain in the bladder, kidneys, back and every part of the urinary passages in male or female. It relieves retention of water and pain in passing it almost immediately. If you want quick relief and cure this is your remedy. Sold by Dr. F. L. Zemp, Druggist, Camden, S. C.

IN THE COURT HOUSE AT PICKENS.

The campaign meeting was held at Pickens on Thursday. Everything passed off quietly. County Chairman Boggs called the meeting to order and introduced Mr. Cooper as the first speaker. He gave a history of his connection with the Reform movement and a legislator. His opponent printed character certificates and cast them broadcast. He had no press to do so, and would not if he could. In Spartanburg his opponents tied Mr. McSweeney to the coat tail swinging arrangement. He hoped he would be left to make his own race, and on his merit alone did he stand. He said he was not running a hugging campaign as he suggested McSweeney was with Gantt.

Mr. Ellerbe was the next speaker and made a special plea for the election of the wisest, best and most practical men to the Legislature to help him run an economic government. He devoted most of his time to a discussion of the Reform work, and he thought a good record had been made. Taxation was generally discussed. He said Edgefield that he would join no one in tearing down any State institution as all should be supported. He believed the State had as much right to tax the people for higher education as for common schools, though they did not do as much good, because 97 per cent of the people could not attend college but the State was able to support both. There was no need for Clemson as a literary college, but was, and is needed as an industrial and mechanical college. If Clemson could be run without the privilege tax the tax should be abolished. He wanted to see the fighting quit and see the people come

Under the rules no ballot containing more or less than two names for the House of Representatives can be counted for that office. All candidates are required to file their pledges with the Treasurer and pay their assessments ten days previous to said election, otherwise ballots cast for them will not be counted.

Ballott boxes and returns after election are required by the party rules to be forwarded to the Chairman of County Executive Com. within forty-eight hours after the election.

No managers have yet been appointed for Bell's Mill, Buffalo and McCaskill's Mill, and it is requested that the names of managers for these clubs be sent in at once.

Managers can get ballot boxes and tickets on the 20th.

Antioch.

Editor Chronicle:—As we have seen nothing in your paper from this place for some time we will give you a few dots

One of the most gracious revivals we have ever seen or experienced closed at Antioch a few days ago. While there were but six accessions to the church, we believe they were genuinely converted. Others who had been members for some time were converted to the truth as it is found in Christ. The ordinance of baptism will not be administered next Sunday as was announced. The pastor, Rev. J. R. Smith, has gone to Fairfield County where he will assist Rev. J. P. Isenhower in a meeting. Rev. J. W. Davis will fill the pulpit at Antioch next Sunday.

Mr. John Craft is very ill at this time.

Bernater, a little daughter of Rev. J. R. Smith, is very unwell with a blood eruption on the order of the shingles, but we hope that under the skillful treatment of Dr. C. S. Britton she will soon get well.

Rain is very much needed in this section now, young corn will be a failure unless it is watered soon.

Mrs. Elizabeth Gates and Miss Georgia Smith, of Columbia are on a visit to their brother, Rev. J. R. Smith.

Well Wisher.

Mr. Editor:—As it has been some time since my last visit to The Chronicle I will send you a few items.

Pulling Fodder is the order of the day and we are having some hot dry weather for the business. Cotton is opening earlier this year than it has for some time.

Messrs. W. N. Waters and R. Parham lost their turpentine still by fire. While the loss is very heavy they expect to have it replaced in about two weeks.

Mr. R. Moseley, of your city, is visiting in this burg this week.

Miss N. J. Marshall, who has been visiting relatives at DeKalb and Camden, has returned home.

Rev. W. D. Entzminger is conducting a series of meetings at Pleasant Hill this week.

Miss Mollie Gardner returned home a few days ago after an extended visit to Jefferson.

Mrs. Victoria Gardner is very sick this week.

With best wishes to The Chronicle I close. Local.

Harmony

The convention at Pine Tree was a grand success, and we think that much good was accomplished. The good people of that church certainly deserve credit for their unbounded hospitality.

Well Mr. Ed, we were glad to hear from our worthy president of the C. C. F. C. and glad to know that we have a piace in the first organization of the kind and we must congratulate our kind editor for his never tiring efforts to make this the first in the State. Now Mr. President, wishing to remember you also for the compliments you paid the correspondents as being manly fellows except three (?) we overheard one of the three say she was the best looking one in the crowd. We will admit that to a certain extent, notwithstanding we are sixteen to one if she did say they were the ugliest boys in the crowd she ever saw.

No marriage to report just now but we think, by the way one of our thorough going young men is building a nice dwelling and goes home with his bestest and washes the supper dishes, that cupid will be in soon.

There will be a protracted meeting started at Sandy Grove on the third Sunday in this month.

Miss Alice Stokes was visiting in this section recently.

Mr. L. L. Copeland passed through this burg not long since.

With best wishes to all.

ROYAL GERMETUER.

Thousands of Certificates attest the fact.

Mr. L. T. Cyr, Kennebunk, Mass., says: "My wife would not have been sweet if I had not got a bottle of your Germetuer. She was a terrible sufferer from Dyspepsia, and could keep little or nothing on her stomach. I got a bottle of you, after the 5th dose she began to get better, after the 10th dose she was entirely cured, and has been ever since. My friends would not know her now, she is so much fleshier. I continued the Germetuer, and can testify that I am entirely cured, and that Germetuer did the work."

☞ It also speedily cures Catarrh, Rheumatism, Fever and Malaria, Kidney and Bladder Troubles, Debility, and Nervous Prostration, Inability to Sleep, etc. It has passed the 15th consecutive year, and builds up from the first dose. It cures disease by removing the cause.

"The Foot of a Fly"

says an eminent English doctor, "will carry enough poison to infect a household." In summer time, more especially, disease germs fill the air, multitudes are infected, fall ill, die; multitudes escape. These messengers of mischief do not exist for millions. Why not? Because they are healthy and strong—protected as rerocodile is against gunshot. It is the weak, the wasted, the thin-blooded who fall; those who have no resistive power so that a sudden cough or cold develops into graver disease. We hear of catching disease! Why not catch health? We can do it by always maintaining our healthy weight.

Scott's Emulsion

of Cod-liver Oil, is condensed nourishment; food for the building up of the system to resist the attacks of disease. It should be taken in reasonable doses all summer long by all those whose weight is below the standard of health. If you are losing ground, try a bottle now.
