RALLY AS ONE MAN!

To The Farmers Of Kershaw County:

The "Cotton Growers' Convention" met in Columbia Wednesday night of last week in order to organize some movement among Southern cotton farmers looking to a devisement of ways and means to defeat the reckless robber speculators and gamblers from controlling and defrauding us of a fair, honest, and legitimate price for our great Southern staple.

Mr. J. C. Rollings, Chairman.

The Responsibilities of Our Government.

Our Government, as such is responsible only to our own citizens for its foreign and domestic policy, including that of finance.

We are told almost daily that the United States forms one in the sisterhood of nations, and that we cannot pursue a disjunctive line of policy in any branch should that line conflict with that in vogue at the seat of government.

the expiration of that period should their authority be defied, the military arm of the various State governments should be called upon to enforce the findings of the Board, and that recourse failing, the receipt grants should be made to feed the iron hand of the National government itself.

Another bit of necessary legislation is an act prohibiting gambling in stocks and bonds and farm products. This is commonly known as dealing in futures, and a transaction of this character should be made a felony.

The Anti-Trust law should be so amended as to make the penitentiary yawn for each and every member of a trust. Other reforms occur to me which I may touch upon later but I regard the three evils pointed out as the most far-reaching in their effect of all those that it is practicable to reach at this time.

Respectfully, W. A. Schroek.

Black River

Dear old Chronicle:—We come again knocking at the door for admittance in your bright and newsy columns which is always a welcome visitor in our family.

Mr. L. M. Hall, of Malvern chapel happened to a bad accident; his wife became frightened and tore up his buggy.

Mr. J. T. Watson, of Cedar Creek, pays frequent visits to Mr. J. M. Hall's; we suppose a pair of brown eyes is the attraction.

I saw Uncle Bud the other Sunday he had a long smile on his face and from the looks of bouquets on his coat we suppose he was sporting.

Mr. J. M. Hall who was very ill a few days ago we are glad to know is able to be out again. Good night. Bright eyes.

The Sabbath.

The Sabbath is a day of rest. And should we fail to keep. Our souls will not develop best. That which we sow, we'll reap. So many do not realize.

The blessedness of this. But oh! their souls they'll sacrifice. And Heaven beyond will merit.

Oh! that someone would teach us how. We best may keep this day. That to our Master we may lay. In humbleness to pray.

But some of these words will not heed. Nor to our humble hearts. The day at home and novels read. The church, they do not reach. Their hearts are big, but can't resist. The tempter's wedding power. Their eyes are clouded with a mist. Much like the April shower.

The truth is this: Christ did ascend. To fix a place for you. And should you need your service lend. To him you will be true.

Oh! that those who degenerate. The Master's blessed day. Would change their hearts and truth relate.

To travellers on the way. Be true to Christ, be true to God. And for yourself and your service lend. Where peace and joy will reign. Ireland, S. C. A School-boy.

In Memory of Miss Addie Baxley.

(Written by L. D. Mathis, of Sumter County, upon the death of Miss Addie Baxley, which occurred Oct. 12th, 1897.)

And when I think of all the changes. That the changing world has brought. I am glad the world that holds her. Is a world that changes not.

And the same as when she left us. She waits for me, I know. My love on earth, my love in heaven. My love of long ago.

Addie, you told me that you loved me. And this, I believe is true. My love on earth, my love in heaven. My love's alone for you.

I hold and kiss the flowers. Which upon thy bosom lay. And put them in a little book. To remember the twelfth day.

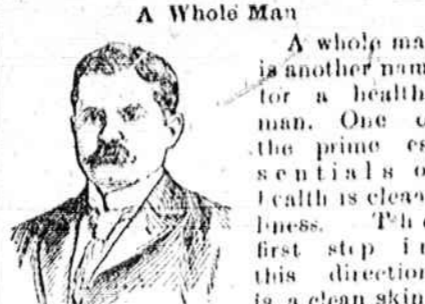

The stars Oh! how they glitter. The moon sends forth its radiant light. The soft dew of heaven was beautiful. On October the twelfth night.

And now she sleeps beneath the sod. With roses on her breast. You would say that she is dead. But angels call it rest.

A Whole Man is another name for a healthy man. One of the prime essentials of health is cleanliness. The first step in this direction is a clean skin.

This fact is well known. Not only should the outside of the body be perfectly clean, but the interior of the body as well. Clean teeth, clean mouth, clean throat, clean nasal passages, are all requisites of perfect health.

The whole body, as well as every organ in the body, is lined with mucous membrane, which is even more liable than the skin to become very dirty.

The most frequent cause of mucous membrane catarrh, Catarrh creates unnatural secretions, even though the catarrh be very slight. In this condition good health is impossible.

Dr. Hartman has made a specialty of treating chronic catarrh for nearly 40 years. His great remedy (Perrina) has become known throughout the United States and Canada.

It is certainly the best, and probably the only effective internal remedy for chronic catarrh. Its cures are permanent. The Doctor is also the author of many books on chronic catarrh. His latest book on the subject will be sent free for a short time by The Perrina Drug Mfg Co., Columbus, O.
