nounced upon application at the office, Candidates' Cards for County offices \$5,00. Congressional \$10,00. Remittances by checks, drafts and postal

money orders should be made payable to W. L. McDOWELL, Camden, S. C.

## The War.

The President did dot send his message on the Cuban question to Congress on Wednesday. Probably it may not be sent before Monday. The Queen Regent of Spain has declared an armistice in Cuba looking to a peceful adjustment of affairs. It is said that the war par ty at Washington are not at all satisfied with the improved condition of affairs, and that when it became known that the President would delay his message an outbreak was imminent.

The Country Editor.

Congressman Champ Clark speaking a few days ago in Congress against the infamous Loud credit plan of teaching) and not be bill which sought to injure the cause it was right. Another plan of country press said :

Solomon, declared that he would pensary law will have to be formurather live in a country with newspapers but without a government islature, and we will, at some future than in a country with a government but without newspapers.

Newspapers are great disseminators of information. The mand- From Our Correspondents. moth metropolitan papers with their vast circulations are splendid educators, but after all ten persons read the country weekly where one reads a metropolitan paper. Having once been a country editor myself, I entertain a most kindly feel- not half they know. We have been ing for my old confreres. I am proud to have belonged to the editorial guild. # Educational Column.

by County Superintendent of Education L. L. Copeland, and all communications tended for this department should be ldressed to him at Camden, S. C.

We have received an invitation to attend a school picnic at Sandy Run and most charming young lady of cry for Consumption, Coughs abid school, taught by Prof. W. H. Goff the Mr. Zon section has returned Colds. He declares that gold is of on Saturday, the 10th in-t. We accept the invitation with pleasure and will endeavor to be on hand.

Prof. J. W. Dung has also extended us an invitation to be present at a pienie at Stady Grove on the 30th inst. Providence permitting will be there.

A large number of our schools have closed and the balance will close soon. Teachers, can you not arrange to have an entertainment at the close of your schools?

The County Board of Education will meet the 3rd Saturday in this month for the purpose of transacting such business as may come before

signment of the McKinlay school turned from Mt. Zion where he has L. Brasington, deceased.

Had the Comp. General accepted the statement sent him by County Treas. Hough, Kershaw would have received something like \$3,000, from the profits of the State dispensary. But he chose to act according to the statement prepared by his producessor, Mr. Norton, who claimed, but in my opinion unjustly, that money collected in the winter of 1895-96 was for the schools taught in 1895. While the money was applied that way we do not think the levy was made with that intention but that it resulted from our misfortune (the distributing whatever profit that may Thomas Jefferson, the modern arise from the operation of the dis lated at the next session of the Legtime, have something to say about what we think is the best plan.

Chronicle:--It is a good thing to say, and remain silent if ple we know only a little. Very few people can tell all they know, yea, remaining quiet for a good while, reading what others are saying. We very readily see that the main subject occupying the thoughts of The rural editor-God bless him! of our sailors jost. Our flag must ing advertisement: tees to its citizens. We want only what any other enlightened nation -justice, simple justice, and that alone will we accept. The citizens torily remunerated without bloodfy the grosss of the bereaved loved ones without compulsion. Some of if such be the case, will not Spain investigate the matter and punish the guilty ones? The Mains might graby, day by day, he is embalm- if this be the case Spain is not in lucky ship ever since she has been in use. No nation will question! our right to have sent the Maine to Cuba's waters. Because we will sail upon the seas, visit and station I can never forget-how can any our vessels on any lands for the man on this side of the Chamber purpose of protecting our citizens er nations do it, cannot we do the a
